Dear Parent(s)/Guardian(s):

In all school divisions in Virginia, students with a home language other than English are administered an English language proficiency assessment to determine if they are eligible for English for Speakers of Other Languages (ESOL) Services.

Based on the results of the WIDA Screener your child is not eligible for ESOL services. However, as per the Virginia Department of Education, if your child's educational records show that they were receiving ESOL services in Virginia and they had not exited ESOL services, your child will be re-designated as a multilingual learner until they meet the criteria for English proficiency on the annual WIDA ACCESS for ELLs assessment.

If you have questions regarding your child's assessment results, please contact your child's school. Thank you for your ongoing support of your child's education. We look forward to working together with you to help your child reach his or her fullest academic potential.

Sincerely,
Rich Pollio
Director, Office of ESOL Services
