IT TAKES NOTHING SHORT OF A MIRACLE to make a movie. There are a vast number of moving targets that have to line up in order to get a film going—the scheduling, the budget, the multitudes of people involved, the rights, the studio, the cast, the director, the vision. It takes an even bigger miracle to make a good movie.

Bookshare will move between pages for you. It will also remember where you stopped reading and make a bookmark for you.
