2018-2019 School Wellness Survey Responses

Lake Anne Elementary

Section A – Physical Education

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- A1: Physical education classes provide students with the minimum time-requirements under FCPS Regulation 3218.	Embedded
- A2: At least 50 percent of physical education class-time includes moderate to vigorous physical activity.	Embedded

Section B – Physical Activity

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- B1: Withholding recess or physical education is not used as a disciplinary action.	Embedded
- B2: ELEMENTARY SCHOOLS ONLY: On average, our school provides a minimum of 15 minutes per day of supervised recess.	Embedded

Question: Please highlight any activities or best practices used to promote student's physical activity.

- "none"

Section C – Health Education

<u>Question: To what extent does your school effectively impart the following topics in FCPS's health education curriculum:</u>	<u>Response</u>
- C1: Promoting Healthy Lifestyles.	Embedded
- C2: Stress Management.	Embedded
- C3: Coping Skills.	Embedded
- C4: Depression.	Emerging
- C5: Suicide Prevention and Awareness.	Emerging
- C6: Mental Health Issues (general).	Embedded
- C7: Relationship of Healthy Sleep to Mental Health.	Emerging

2018-2019 School Wellness Survey Responses

Lake Anne Elementary

- C8: Substance Abuse Prevention. Exploring

Section D – Health Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- D1: FCPS’ protocols with respect to student disclosure and display of concerning behaviors, such as harm to self or others.	Embedded
- D2: Students have regular access to public health nurses to address health, safety, and psychological issues.	Embedded
- D3: Required staff in our school maintain requisite levels of training in emergency first aid, CPR, and AED per the Code of Virginia.	Embedded
- D4: Required staff in our school maintain requisite levels of training in medication administration per FCPS Regulation 2102.	Embedded

Section E – Healthy and Safe School Environment

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- E1: Encourages children to safely walk or bike to and from school.	Embedded
- E2: Promotes age-appropriate mentorships as a way to help students develop strong, safe, and trusted relationships with respected adults.	Embedded
- E3: School buildings, grounds, structures, vehicles (if applicable), and equipment are maintained in accordance with FCPS Policy 8560.	Embedded
- E4: Maintains a comprehensive tobacco-free policy in accordance with FCPS’ Policy 4419 and Regulation 2152.	Embedded

Question: Please share any school or community specific barriers to promoting a healthy and safe school environment for students.

- “none”

Section F – School Counseling, School Psychology, and School Social Work Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
---	-----------------

2018-2019 School Wellness Survey Responses

Lake Anne Elementary

- | | |
|---|--------------------------|
| - F1: Monitors school climate and other factors that may contribute to student stress, symptoms of anxiety and depression, and peer and academic pressures and substance use. | Embedded |
| - F2: Our staff has received required suicide prevention training, as well as training that includes recognition of, and response to, mental and behavioral health needs. | Emerging |
| - F3: Implements programs that foster social and emotional health and wellness of students and staff. | Embedded |
| - F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments. | Embedded |
| - F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance. | Embedded |
| - F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance. | Not a Middle/High School |

Section G – Health Promotion for Staff Members

Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being: Response

- | | |
|---|----------|
| - G1: Health screenings. | Emerging |
| - G2: Health care access. | Emerging |
| - G3: Employee flu immunization clinics. | Embedded |
| - G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance. | Embedded |
| - G5: Awareness of the Employee Assistance Program Services. | Embedded |
| - G6: Staff celebrations that offer and encourage healthy choices for food and beverages. | Embedded |

Section H – Family and Community Involvement

2018-2019 School Wellness Survey Responses

Lake Anne Elementary

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- H1: Established a wellness committee to implement activities that support the wellness policy.	Emerging
- H2: Includes a non-staff, family, or community member in our school's wellness committee.	Transitioning

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

- "Monthly walk and roll participation"

Section I – Food and Nutrition General

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Embedded
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	Transitioning
- I9: Allows students to possess personal containers for drinking water.	Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	Embedded

2018-2019 School Wellness Survey Responses

Lake Anne Elementary

Section J – Nutrition Education, Promotion, and Food Marketing

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- J1: Only food and beverages that meet the “Smart Snacks” standards are marketed to students on school grounds during the school day.	Embedded

Section K – Nutritional Guidelines

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day.	Embedded
- K2: Healthy food and beverage options are encouraged at school-related events outside the school day.	Emerging
- K3: Implements appropriate precautions against severe food allergies.	Embedded

Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- (Walk and Roll, Stress Less Laugh More Week, Therapy Dog visits)

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- (No Response)

Question: Please provide any questions or comments you have with regard to FCPS’ Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

- (No Response)

- C7: Relationship of Healthy Sleep to Mental Health.	Transitioning

2018-2019 School Wellness Survey Responses

London Towne Elementary

- C8: Substance Abuse Prevention. Transitioning

Section D – Health Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- D1: FCPS' protocols with respect to student disclosure and display of concerning behaviors, such as harm to self or others.	Embedded
- D2: Students have regular access to public health nurses to address health, safety, and psychological issues.	Embedded
- D3: Required staff in our school maintain requisite levels of training in emergency first aid, CPR, and AED per the Code of Virginia.	Embedded
- D4: Required staff in our school maintain requisite levels of training in medication administration per FCPS Regulation 2102.	Embedded

Section E – Healthy and Safe School Environment

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- E1: Encourages children to safely walk or bike to and from school.	Emerging
- E2: Promotes age-appropriate mentorships as a way to help students develop strong, safe, and trusted relationships with respected adults.	Emerging
- E3: School buildings, grounds, structures, vehicles (if applicable), and equipment are maintained in accordance with FCPS Policy 8560.	Embedded
- E4: Maintains a comprehensive tobacco-free policy in accordance with FCPS' Policy 4419 and Regulation 2152.	Embedded

Question: Please share any school or community specific barriers to promoting a healthy and safe school environment for students.

- "Due to trauma and poverty, several of our students need access to services above and beyond what school clinical staff are trained to provide"

Section F – School Counseling, School Psychology, and School Social Work Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
---	-----------------

2018-2019 School Wellness Survey Responses

London Towne Elementary

- | | |
|---|--------------------------|
| - F1: Monitors school climate and other factors that may contribute to student stress, symptoms of anxiety and depression, and peer and academic pressures and substance use. | Emerging |
| - F2: Our staff has received required suicide prevention training, as well as training that includes recognition of, and response to, mental and behavioral health needs. | Exploring |
| - F3: Implements programs that foster social and emotional health and wellness of students and staff. | Transitioning |
| - F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments. | Embedded |
| - F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance. | Exploring |
| - F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance. | Not a Middle/High School |

Section G – Health Promotion for Staff Members

Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being:

Response

- | | |
|---|---------------|
| - G1: Health screenings. | Exploring |
| - G2: Health care access. | No Activity |
| - G3: Employee flu immunization clinics. | Embedded |
| - G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance. | Transitioning |
| - G5: Awareness of the Employee Assistance Program Services. | Embedded |
| - G6: Staff celebrations that offer and encourage healthy choices for food and beverages. | No Activity |

Section H – Family and Community Involvement

2018-2019 School Wellness Survey Responses

London Towne Elementary

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- H1: Established a wellness committee to implement activities that support the wellness policy.	Exploring
- H2: Includes a non-staff, family, or community member in our school's wellness committee.	No Activity

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

- "Walk Circuit, Flu clinic"

Section I – Food and Nutrition General

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Embedded
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	Exploring
- I9: Allows students to possess personal containers for drinking water.	Transitioning
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	Exploring

Section E – Healthy and Safe School Environment

Question: To what extent does your school implement the following practices: Response

- E1: Encourages children to safely walk or bike to and from school. Emerging
- E2: Promotes age-appropriate mentorships as a way to help students develop strong, safe, and trusted relationships with respected adults. Emerging
- E3: School buildings, grounds, structures, vehicles (if applicable), and equipment are maintained in accordance with FCPS Policy 8560. Emerging
- E4: Maintains a comprehensive tobacco-free policy in accordance with FCPS’ Policy 4419 and Regulation 2152. Embedded

Question: Please share any school or community specific barriers to promoting a healthy and safe school environment for students.

- “Building is overcrowded”

Section F – School Counseling, School Psychology, and School Social Work Services

Question: To what extent does your school implement the following practices: Response

2018-2019 School Wellness Survey Responses

Mosby Woods Elementary

- | | |
|---|--------------------------|
| - F1: Monitors school climate and other factors that may contribute to student stress, symptoms of anxiety and depression, and peer and academic pressures and substance use. | Emerging |
| - F2: Our staff has received required suicide prevention training, as well as training that includes recognition of, and response to, mental and behavioral health needs. | Embedded |
| - F3: Implements programs that foster social and emotional health and wellness of students and staff. | Emerging |
| - F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments. | Embedded |
| - F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance. | Emerging |
| - F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance. | Not a Middle/High School |

Section G – Health Promotion for Staff Members

Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being: Response

- | | |
|---|---------------|
| - G1: Health screenings. | Embedded |
| - G2: Health care access. | Transitioning |
| - G3: Employee flu immunization clinics. | Embedded |
| - G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance. | Transitioning |
| - G5: Awareness of the Employee Assistance Program Services. | Exploring |
| - G6: Staff celebrations that offer and encourage healthy choices for food and beverages. | Exploring |

Section H – Family and Community Involvement

2018-2019 School Wellness Survey Responses

Mosby Woods Elementary

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- H1: Established a wellness committee to implement activities that support the wellness policy.	Transitioning
- H2: Includes a non-staff, family, or community member in our school's wellness committee.	Exploring

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

- "Monthly newsletters, family running club"

Section I – Food and Nutrition General

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Emerging
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	Transitioning
- I9: Allows students to possess personal containers for drinking water.	Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	Embedded

2018-2019 School Wellness Survey Responses

Mosby Woods Elementary

Section J – Nutrition Education, Promotion, and Food Marketing

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- J1: Only food and beverages that meet the “Smart Snacks” standards are marketed to students on school grounds during the school day.	Embedded

Section K – Nutritional Guidelines

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day.	Embedded
- K2: Healthy food and beverage options are encouraged at school-related events outside the school day.	Emerging
- K3: Implements appropriate precautions against severe food allergies.	Embedded

Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- (Weekly Workouts for teachers, Mindfulness Mondays, Running club, Charity basketball game, field days)

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- (More grant money available to support after school programs)

Question: Please provide any questions or comments you have with regard to FCPS’ Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

- (No Response)

2018-2019 School Wellness Survey Responses

2018-2019 School Wellness Survey Responses

Newington Forest Elementary

Section A – Physical Education

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- A1: Physical education classes provide students with the minimum time-requirements under FCPS Regulation 3218.	Embedded
- A2: At least 50 percent of physical education class-time includes moderate to vigorous physical activity.	Embedded

Section B – Physical Activity

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- B1: Withholding recess or physical education is not used as a disciplinary action.	Emerging
- B2: ELEMENTARY SCHOOLS ONLY: On average, our school provides a minimum of 15 minutes per day of supervised recess.	Embedded

Question: Please highlight any activities or best practices used to promote student's physical activity.

- "Girls on the Run, Green Team."

Section C – Health Education

<u>Question: To what extent does your school effectively impart the following topics in FCPS's health education curriculum:</u>	<u>Response</u>
- C1: Promoting Healthy Lifestyles.	Embedded
- C2: Stress Management.	Embedded
- C3: Coping Skills.	Embedded
- C4: Depression.	Emerging
- C5: Suicide Prevention and Awareness.	Emerging
- C6: Mental Health Issues (general).	Emerging
- C7: Relationship of Healthy Sleep to Mental Health.	Embedded

2018-2019 School Wellness Survey Responses

Newington Forest Elementary

- C8: Substance Abuse Prevention. Emerging

Section D – Health Services

Question: To what extent does your school implement the following practices: Response

- D1: FCPS’ protocols with respect to student disclosure and display of concerning behaviors, such as harm to self or others. Embedded
- D2: Students have regular access to public health nurses to address health, safety, and psychological issues. Embedded
- D3: Required staff in our school maintain requisite levels of training in emergency first aid, CPR, and AED per the Code of Virginia. Embedded
- D4: Required staff in our school maintain requisite levels of training in medication administration per FCPS Regulation 2102. Embedded

Section E – Healthy and Safe School Environment

Question: To what extent does your school implement the following practices: Response

- E1: Encourages children to safely walk or bike to and from school. Emerging
- E2: Promotes age-appropriate mentorships as a way to help students develop strong, safe, and trusted relationships with respected adults. Transitioning
- E3: School buildings, grounds, structures, vehicles (if applicable), and equipment are maintained in accordance with FCPS Policy 8560. Embedded
- E4: Maintains a comprehensive tobacco-free policy in accordance with FCPS’ Policy 4419 and Regulation 2152. Embedded

Question: Please share any school or community specific barriers to promoting a healthy and safe school environment for students.

- “Lots of information is shared with students and families throughout the year so sometimes the wellness pieces get lost in information overload.”

Section F – School Counseling, School Psychology, and School Social Work Services

Question: To what extent does your school implement the following practices: Response

2018-2019 School Wellness Survey Responses

Newington Forest Elementary

- | | |
|---|--------------------------|
| - F1: Monitors school climate and other factors that may contribute to student stress, symptoms of anxiety and depression, and peer and academic pressures and substance use. | Embedded |
| - F2: Our staff has received required suicide prevention training, as well as training that includes recognition of, and response to, mental and behavioral health needs. | Emerging |
| - F3: Implements programs that foster social and emotional health and wellness of students and staff. | Embedded |
| - F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments. | Embedded |
| - F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance. | Embedded |
| - F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance. | Not a Middle/High School |

Section G – Health Promotion for Staff Members

Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being:

Response

- | | |
|---|---------------|
| - G1: Health screenings. | Transitioning |
| - G2: Health care access. | No Activity |
| - G3: Employee flu immunization clinics. | Embedded |
| - G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance. | Embedded |
| - G5: Awareness of the Employee Assistance Program Services. | Emerging |
| - G6: Staff celebrations that offer and encourage healthy choices for food and beverages. | Embedded |

Section H – Family and Community Involvement

2018-2019 School Wellness Survey Responses

Newington Forest Elementary

Question: To what extent does your school implement the following practices: Response

- H1: Established a wellness committee to implement activities that support the wellness policy. Emerging
- H2: Includes a non-staff, family, or community member in our school's wellness committee. Emerging

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

- "Bike to school week, Boosterthon"

Section I – Food and Nutrition General

Question: To what extent does your school implement the following practices: Response

- I1: All students have at least 20 minutes to eat after sitting down for lunch. Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food. Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities. Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals. Embedded
- I5: Encourages the use of non-food items for classroom celebrations. Embedded
- I6: Withholding access to food is not used as a disciplinary action. Embedded
- I7: Potable water is available to all our students at no cost. Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS). No Activity
- I9: Allows students to possess personal containers for drinking water. Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible. Emerging

- G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance. Transitioning
- G5: Awareness of the Employee Assistance Program Services. Emerging
- G6: Staff celebrations that offer and encourage healthy choices for food and beverages. Transitioning

Section H – Family and Community Involvement

Question: To what extent does your school implement the following practices: Response

- H1: Established a wellness committee to implement activities that support the wellness policy. Emerging
- H2: Includes a non-staff, family, or community member in our school's wellness committee. No Activity

2018-2019 School Wellness Survey Responses

Oak View Elementary

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

none

Section I – Food and Nutrition General

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Embedded
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	Exploring
- I9: Allows students to possess personal containers for drinking water.	Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	Embedded

Section J – Nutrition Education, Promotion, and Food Marketing

Question: To what extent does your school implement the following practices:

Response

2018-2019 School Wellness Survey Responses

Oak View Elementary

- J1: Only food and beverages that meet the “Smart Snacks” standards are marketed to students on school grounds during the school day. Embedded

Section K – Nutritional Guidelines

Question: To what extent does your school implement the following practices: Response

- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day. Embedded
- K2: Healthy food and beverage options are encouraged at school-related events outside the school day. No Activity
- K3: Implements appropriate precautions against severe food allergies. Embedded

Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

No Response

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

No Response

Question: Please provide any questions or comments you have with regard to FCPS’ Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

No Response

Summary Tables:

The following graph and table visually summarize your school’s responses provided above. Questions in the graph are represented by bars corresponding to the self-reported wellness score. Questions in the table are grouped together according to their self-reported wellness score (e.g., all questions recorded as “embedded” are grouped together, etc.).

*Note: Questions are abbreviated by their section and number. Please refer to the report for the question full text.
