Dear _____,

The Individuals with Disabilities Education Act (IDEA), as amended, and the Regulations Governing Special Education Programs for Children with Disabilities in Virginia, specify that an individualized education program (IEP) must be written for every student enrolled in a public school who receives special education services. Per our conversation _____, on you have indicated that you have enrolled your child in a private school and are declining the offer of special education and related services through an IEP. Students who are eligible for special education and related services and who are enrolled by their parents in a private school may receive services from FCPS through an individual services plan (ISP). The ISP is a written statement of the services your child will receive during the year. IDEA specifies that the ISP must be developed by a team including the parent and appropriate school personnel.

This is to confirm that your child's ISP meeting is scheduled for (date), _____

at (time) _____ at (location) _____. The purpose of this meeting is to develop:

- an initial ISP an annual ISP

School staff who will be present at this meeting include: _____

Other individuals who have knowledge or special expertise regarding your child may participate in the meeting at the discretion of you or the school. The determination of the knowledge or special expertise shall be made by the party who invited the individual.

Any questions you may have concerning the provision of special education and related services for your child will be addressed during the ISP meeting. A copy of *Parent Information Regarding Children with Disabilities Enrolled by Their Parents in Private Schools* is enclosed for your information. Should you need assistance in understanding these provisions, please contact Due Process and Eligibility at 571-423-4470. If I can be of assistance to you, please contact me at _____.

Sincerely,

Enclosure
