

## Learn360 links and Information

*Learn360* is the ultimate streaming multimedia resource for the K–12 educational market—the complete district solution. Teachers, students, and parents can access more than 164,000 media resources on any Internet-enabled device, anytime, anywhere, and engaging content landing pages make it easy to find the wealth of videos, interactives, printables, audio content, and maps and flags. The entire site and all landing pages can be filtered by grade level (all grades, elementary, or middle/high) for targeted browsing.

You can request a Learn360 account by contacting Kevin Lawton, Digital Media Specialist in Digital Learning Resource Distribution DLRD, at Nancy Sprague Technology Center. [kelawton@fcps.edu](mailto:kelawton@fcps.edu) Please include a password that you would like to use with your Learn360 account upon submission of your request. Your username will be your username on the FCPS network. Feel free to contact Kevin at 571-205-8834 if you have additional questions.

Once you have obtained a Learn360 username and password, you can login to the site here: [Learn360 login](#)
