

The Fairfax Network Roku Channel is not public. Please follow these instructions to add our channel to your Roku account.

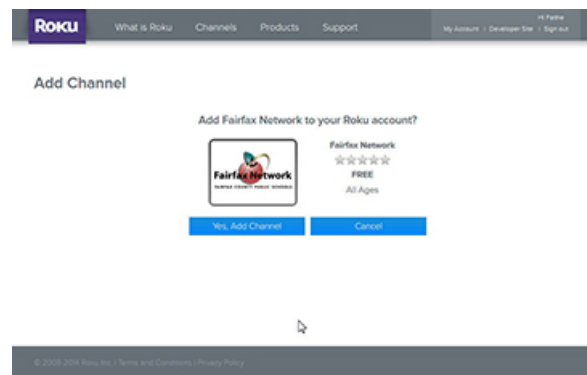

1. Go to [www.roku.com](http://www.roku.com) and log into your account.
2. Click on “Add a private channel” under “Manage Channels.”

3. Enter the Fairfax Network Code **FxNetRoku** into the box and click “Add Channel.”

4. Confirm that you want to add the channel by clicking "Yes, Add Channel".

5. Within a few minutes, your new channel will sync with your Roku box. It will appear on the Roku startup page at the end of the line-up of channels. If it doesn't appear there:
  1. Click the Channel Store button on your Roku Box.
  2. Go to "My Channels" at the very top. The **Fairfax Network Channel** should appear there.
  3. Select the **Fairfax Network Channel**, then click "Go to Channel".
6. This will open the **Fairfax Network Channel**. The next time you see your list of channels on the start menu, our channel should appear at the end of the line-up.
