*An additional option is available for high school credit-bearing classes. High school credit-bearing courses will be reflected on the middle and high school transcripts. In accordance with Virginia state regulations, FCPS Regulation 2408 permits parents of students who take a high school credit-bearing course in middle school to request that the grade be omitted from the student's high school transcript and the student not earn high school credit for the course. Parents must make this request no later than the end of the first nine weeks of the school year following completion of the course. The request to expunge as well as guidelines and the procedures for expunging grades for high school courses taken in middle school can be found at the following link: https://www.fcps.edu/sites/default/files/media/forms/is104.pdf
