Remarks

Scott Brabrand
Division Superintendent

I am extremely honored to have this opportunity to recognize an outstanding group of FCPS retirees. Some of you have been with FCPS for less than 10 years and some for 40 or more years. Fairfax has changed a great deal over those years, but what hasn't changed is the feeling of belonging to the Fairfax family – the friendships, the sense of community, the work, and knowing we are all focused on a common goal.

Thank you for making Fairfax County Public Schools a place like no other and thanks to your loved ones, our extended Fairfax family, for sharing you with us all these years. We will miss you greatly, but we are also excited for you. As you get ready to embark on life beyond FCPS, I encourage you to remember these things:

Practice gratitude – There are so many things to be thankful for each day. Acknowledge them. It's good for the soul.

Be joyful – Look for every opportunity to laugh and have fun. You've earned it!

Keep learning – Continue to find things to be passionate about and share that passion with others.

On behalf of everyone in FCPS, thank you for all you have done for our students and for our school system.

Congratulations on your retirement.

Karen Corbett Sanders
School Board Chair
Mount Vernon District Representative

It is truly an honor to recognize your outstanding service and dedication to excellence at Fairfax County Public Schools.

Whether you are a school-based staff member or work in an operational capacity, your talents, expertise, and passion have improved our students' lives. Your contributions will continue to serve them for many years to come.

While unprecedented circumstances prevent us from celebrating your retirement in person, this does not diminish the overwhelming pride and joy your accomplishments bring.

On behalf of the entire Fairfax County School Board, I thank you for making FCPS such a special place. We will miss you greatly, but we are content in knowing that many wonderful experiences await you.

Be well. Enjoy yourself. And know that wherever you are, you will always be a part of Fairfax County Public Schools.

Helen Nixon
Assistant Superintendent, Human Resources

One of my greatest pleasures each year is having the opportunity to recognize the incredible talent, accomplishments and memorable career moments of our retirees. Whether your career path led you to be a bus driver, food service worker, custodian, teacher, administrator, or to serve in one of the many other instructional or operational positions – you have played an integral role in the lives of our students, which makes you part of the FCPS story.

You will always be a member of our family, not just for the work you have accomplished, but for the legacy you leave behind. I wish you the very best in all that is ahead for you.

Congratulations on your retirement and thank you for your service to Fairfax County Public Schools.
