Mission Statement: To provide advice to the school administration and the School Board on career and technical education programs and initiatives for the purpose of improving the effectiveness of these programs and associated courses in providing students with the knowledge and skills that contribute to their preparation for the workforce, military, and/or continuing education in a competitive global economy, and to help the schools obtain support and participation from the business community and the public.

Committee Charge: In collaboration with industry, develop strategies and support for continuing improvement in coordination and communication of CTE programs.

Issues related to Career and Technical Education should be submitted in writing to the executive council for consideration as future agenda items.
