

BUDGET HIGHLIGHTS

Salaries and Benefits

- Teacher salary scale enhancement to continue to move closer to the market average
- Step increase for eligible employees
- Implementation of nonteacher salary scales
- Healthcare costs continue to increase nationwide

Enrollment and Demographic Changes

- Projected enrollment of 189,724, an increase of 702 students
- Increased students in Special Education, English for Speakers of Other Languages (ESOL) and students eligible for free and reduced-price meals

No program cuts

- Reductions realized via efficiencies and reorganization

We must continue to invest in our teachers so their salaries are competitive with the market.

The FY 2019 Budget builds on previous years' investment and accelerates the timeline to get teachers to market average.
