Alexandria City Public Schools

- Alexandria City Public Schools (ACPS) serves more than 15,400 students who hail from more than 110 countries and speak 121 languages. ACPS has 18 schools, including two middle schools, two K-8 schools, one PreK school and the internationally recognized Alexandria City High School. ACPS is committed to putting racial equity at the heart of all decisions and ensuring that every student succeeds. Visit www.acps.k12.va.us.
- For the first time since June 2019, ACPS leaders presented diplomas to 809 graduating seniors at its pre-pandemic venue. The Titans Class of 2022 are the first students to graduate from ACHS after the school's name change in July 2021.
- 403 seniors (43% of the class) graduated with an Advanced Studies Diploma, the highest percentage of ACHS students to earn an Advanced Studies Diploma
- Alexandria City Public Schools (ACPS) was awarded \$2,325,000 by the Virginia Department of Environmental Quality (DEQ) for the purchase of 10 new electric school buses. The new electric buses allowed ACPS to retire 10 older diesel buses and add to the current fleet of five electric school buses purchased through the Dominion Electric program in October 2021.
- ACPS officially closed Friday, February 11, 2022, on the purchase of the 1703 N. Beaugard Street property. The purchase of the building allowed ACPS to update its original plan of constructing a new 600-student school to instead renovate an existing building, an adjustment that reduced the necessary project funding by \$39.2 million in the FY 2023-32 Capital Improvement Budget.
- Alexandria City Public Schools (ACPS) held a groundbreaking ceremony for the new Alexandria City High School (ACHS) – Minnie Howard campus on March 29, 2022, to kick off its construction. In 2019, the School Board voted to expand ACHS into a Connected High School Network and build the Minnie Howard campus. This network will address the challenges of growing student enrollment and meet the region's future business needs.
- ACPS and Virginia Tech launched a pilot partnership program to strengthen STEM opportunities for students. The partnership kicked off its pilot program at James K. Polk Elementary School distributing micro:bit equipment to all fifth-grade students. The goal is to inspire young people to get excited about technology and the opportunities it presents for them by creating free, user-friendly educational resources that support teachers in delivering engaging and creative lessons. The pilot program will be extended to additional schools in the future.
- Three ACHS students were awarded an Honorable Mention in the C-SPAN 2021 StudentCam Documentary Competition for their documentary (written, directed, and produced by the trio) "Dear Mr. President: History, or Progress?" The film highlights the impact of discrimination and racism nationwide, with a special focus on the Alexandria community.

City of Fairfax Public Schools

Since 1962, the City of Fairfax School Board has contracted with Fairfax County Public Schools (FCPS) for the delivery of educational services. The City School Board owns and is responsible for its school buildings, while FCPS is responsible for instructional services and staffing within the schools.

The City of Fairfax school division is comprised of four buildings housing approximately 5,000 students in grades PreK-12. About 3,000 of these students are residents of the City of Fairfax with the remainder residing in Fairfax County.

City of Fairfax Schools include:

- Daniels Run Elementary School (DRES) and Providence Elementary School (PES)

Daniels Run Elementary and Providence Elementary Schools completed major renovations in 2000. Both schools provide STEM/Innovation Labs and sophisticated outdoor classrooms. DRES and PES offer Local Level IV Advanced Academic Programming for students starting in the 3rd grade. In addition, our two elementary schools provide laptops for each student in grades 4-6. School capacity for DRES is 773 students and PES is 1,000.

- Katherine Johnson Middle School (KJMS)

Katherine Johnson Middle School, often recognized for the rigor of its academic program, completed an extensive renovation in the spring of 2008. KJMS has a capacity of 1,100 students and offers a full advanced academic center. The school hosts a solar wind turbine, the first in the nation for a middle school. KJMS was recently recognized by the U.S. Department of Education as a National Green School and has been a Virginia Naturally School for nine consecutive years.

- Fairfax High School (FHS)

Fairfax High School, renovated and rededicated in the fall of 2007, is an academic and arts showcase. Offering students a challenging academic program, including a full range of AP courses, advanced technical programs as well as the specialized programs of the Fairfax Academy for Communications and the Arts, graduates are fully prepared for their futures. FHS capacity is 2,450.

Fairfax County Public Schools

- Fairfax County Public Schools (FCPS) is the nation's 11th largest school division.
- The FCPS Strategic Plan provides a framework for decision-making that builds upon a common mission, vision, and guiding principles held by the community. The *Portrait of a Graduate* is the center of the strategic plan.
- Thomas Jefferson High School for Science and Technology (TJHSST) was ranked by U.S. News and World Report in 2022 as the nation's Best High School. Additionally, TJHSST was ranked sixth for the best science, technology, engineering, and math (STEM) school. The following FCPS high schools: Langley, McLean, Marshall, Madison, Woodson, and West Springfield were also included in the top 10 schools in Virginia.
- Forestville Elementary, Kings Park Elementary, Thomas Jefferson High for Science and Technology and Wolf trap Elementary, received the Virginia Board of Education's Highest Achievement Award for demonstrating high levels of success across all of school quality indicators, including success in narrowing achievement gaps.
- Forty-six FCPS schools earned the 2020 Board of Education Continuous Improvement Award.
- Ninety-seven percent of FCPS schools, compared to 92 percent statewide, earned full state accreditation from the VDOE based on the results from the Virginia SOL tests administered during the 2019-2020 school year.
- In 2022, 214 FCPS students from 16 high schools were named semifinalists, and 30 students from six FCPS schools qualified for recognition in National Merit Scholarship Program after taking the Preliminary SAT/National Merit Scholarship Qualifying Test.
- FCPS is the largest employer in Fairfax County, with 24,415 full-time employees.
- The FCPS bus fleet is one of the largest in the U.S., transporting more than 145,000 students on over 1,600 buses each day.
- FCPS has more than 28 million square feet of school buildings and office space, including 185 schools that have earned ENERGY STAR® certification at least one time.

- MCPS theme schools include:
 - Haydon Elementary School features a Spanish Dual Language Immersion program.
 - Once Dual Language Immersion students enter Mayfield Intermediate, they are able to take Spanish for high school credit (Spanish 1, Part 1).
 - Baldwin Elementary School is in its third year as a Project Lead the Way Distinguished School. Baldwin is just one of 282 schools across the U.S. and one of four schools in the Commonwealth to receive this recognition. Dr. Laura Goldzung, former Baldwin principal and now Director of Instruction for MCPS, was also named the 2021-22 PLTW National Administrator of the Year.
- A K-12 CTE & STEM program is offered in all schools. Some of the Osbourn High School programs include cyber security, engineering, auto technology, cosmetology, and a variety of business courses.
- MCPS offers an Integrated Math and Science Program and an Integrated Humanities Program grades 7-10.
- Osbourn High School serves as a Governor's STEM Academy, the first in the Greater Prince William region. The program provides students the opportunity to explore STEM careers with specialized pathways in Facility and Mobile Equipment Maintenance, Cybersecurity, and Engineering Technology.
- Osbourn High School is a Grammy Award winner as well as a Virginia Music Educators Association's (VMEA) Blue Ribbon Award recipient. The VMEA Blue Ribbon Award is the highest award given to school music programs in Virginia recognizing school performing arts programs that achieve excellence in Band, Orchestra, and Choral performance.
- MCPS students can attend the Governor's School @ Innovation Park which offers advanced college-level STEM courses to juniors and seniors on the Prince William Campus of George Mason University.
- George Mason University and Northern Virginia Community College provide opportunities for students to experience college-level academics and obtain college credit through dual enrollment.
- Early learners are afforded the opportunity to participate in the Virginia Preschool Initiative through a traditional half-day program at each MCPS elementary school. Through Model Innovation City® all Pre-K through 3rd grade children who live in the City of Manassas have free access to the Footsteps2Brilliance literacy software.
- Algebra 1, Geometry, and World Language are offered at the middle school level for high school credit.

Manassas Park City Schools

- MPCS is committed to transforming teaching and learning by embracing a blended learning model for all students. Phase V of the MPCS Connects! digital 1:1 initiative provides individualized learning for all students grades K through 12 and incorporates the four C's (creativity, critical thinking, communication/compassion, and collaboration) to educate students to be global learners.
- A seven-year partnership with the Capital Area Food Bank allows MPCS to distribute more than 50,000 pounds of food to families during the school year. Staff members from all four schools, administration, and the City of Manassas Park come together at Manassas Park High School to volunteer their time to organize and distribute food to families.
- To serve the medical needs of the uninsured, MPCS partners with George Mason University and surrounding health care providers to offer the Mason and Partners (MAP) Clinic at the Manassas Park Community Center.
- MPCS continues to train its staff on ALICE – Alert, Lockdown, Inform, Counter, and Evacuate – a set of proactive strategies that moves beyond lockdown and increases the chance of survival during a violent intruder event.
- The Early Identification Program (EIP), in partnership with George Mason University, has approximately 40 MPCS students in the program. It promotes higher education to potential first-generation college students.
- All students grades K-12 are provided opportunities to participate in STEM education. These programs are supported by The BELL Foundation, the education foundation for Manassas Park.
- The city's diversity extends into the school system where students come from 52 countries around the world.
- MPCS participates in the Regional Governor's School @ Innovation Park.
- Manassas Park High School, the division's lone flagship high school, is home to a National Merit finalist.
- A Manassas Park Middle School student captured first place at the 30th annual Martin Luther King Jr. Day Youth Oratorical Program.
- The class of 2022 was awarded a total of \$1,753,862 in scholarships and grants
- Go to https://www.youtube.com/watch?v=9ykCkh1m_TA to see how MPCS executes an innovative approach in meeting staffing requirements.

Montgomery County Public Schools

- Montgomery County Public Schools (MCPS) is the largest school division in Maryland and 14th largest school division in the United States.
- Five MCPS high schools made the top 500 U.S. News & World Report 2020 list of Best High Schools. Five ranked in the top 500 nationally, and eight were ranked in the top 25 in Maryland.
- More than 39,000 Advanced Placement (AP) exams were taken by MCPS students in 2020. Students scored a 3 or higher on 75 percent of the exams.
- In 2020, the percentage of African American and Hispanic graduates earning a 3 or higher on at least one AP exam surpassed the state average.
- The class of 2020 earned a 1097 average combined SAT score, surpassing both national and state averages. Seventy-eight percent of graduates took the SAT.
- MCPS received the 2010 Malcolm Baldrige National Quality Award, the highest presidential honor given to American organizations for performance excellence. MCPS became only the sixth public school system to receive the award and is by far the largest school district to be a recipient.
- The district is home to 42 National Blue Ribbon Schools.
- The total number of MCPS educators who have earned National Board Certification (NBC) while working for MCPS is 985. MCPS continues to lead the state of Maryland in the number of educators who are awarded this prestigious recognition of their proficiency, with 18 new NBC teachers this year and 28 renewals. The 18 new NBC teachers are among the 81 Maryland educators who achieved certification from the National Board for Professional Teaching Standards (NBPTS) in 2020.

Prince William County Public Schools

- All schools in PWCS earned Virginia accreditation for the 2019-2020 school year from the Virginia Department of Education (VDOE). The 100 percent success rate compares with a statewide accreditation rate of 92 percent. PWCS is the largest school division in the state with all schools accredited without any conditions. Annual accreditation was waived for all Virginia public schools for the 2020-2021 school year due to the cancellation of spring 2020 state assessments.
- 2021 graduates were awarded more than \$63.5 million in scholarships. This is an increase from the over \$54 million awarded in scholarships to the class of 2020.
- PWCS had 1,235 summa cum laude graduates in 2021-2022.
- Twenty-seven schools in Prince William County earned 2020 Exemplar Performance School awards from the VDOE for high student achievement, continuous improvement, or innovative practices. Only six school divisions statewide were recognized with these awards.
- There were 188 active National Board-Certified Teachers (NBCTs) working in the Division during the 2020-2021 school year. PWCS ranks as one of the top five school divisions statewide for total number of NBCTs.
- PWCS School Food and Nutrition Department served 16 million meals during the 2021-2022 school year.
- The Division implemented a one-to-one technology initiative in 2020-2021. Approximately 90,000 laptops, as well as thousands of mobile broadband devices, were distributed to provide equitable access to digital devices for students. In addition, PWCS also partnered with Comcast to provide free home broadband to families in need of support.
- In 2020, PWCS deployed a divisionwide Learning Management System to support virtual learning. In addition, PWCS also deployed and built out a virtual environment with Zoom to support virtual learning and collaborative meetings for staff.
- PWCS hired an additional 34 technical support specialists during the 2020-2021 school year, enabling each school to have full-time technical support.
- In 2021, multi-factor authentication was implemented for all staff and administration.
- In 2021, the "Say Something" Anonymous Reporting System (SS-ARS) was implemented for all staff, students, and administration to report serious concerns of unsafe behavior or threats of harm.
- In 2022, PWCS partnered with Paper to provide all students with unlimited tutoring, seven days a week, at no cost to families.

FY 2023 Expenditure Data Definitions

Operating Fund

or

Budgeted Current Expenditures: The data in this category include all funds for day-to-day expenditures for operation of the school system such as regular and special education instruction; may include grants such as Head Start, ESSA, Impact Aid, Perkins, and grants associated with IDEA; transportation costs including costs for new and replacement buses; and building maintenance for educational programs. Budgeted current expenditures also include the employer's share of employee benefits whether paid by the school district, municipality, or the state. The expenditures are typically funded in the school operating fund.

Construction and Renovation: This category includes all expenditures (which are typically funded in a capital improvements fund or budget) for land, new construction, major renovations, and relocatable classrooms, whether funded by the school district, municipality, county, or state through bond sales or "pay-as-you-go" expenditures.

Debt Service: This category includes all payments for principal and interest on long-term debt whether paid by the school district, municipality, county, or state.

Food Service: This data includes all expenditures for the school food services program regardless of the funding source (federal, state, and local subsidies; and food sales).

Other Governmental Funds: This category includes other Governmental Funds expenditures not included elsewhere, such as:

- Grants budgeted in a fund other than those listed previously
- Adult education, defined as any remedial, enrichment, or makeup course or program offered outside of the regular school year
- Summer school, defined as any remedial, enrichment, or makeup course or program offered outside of the regular school year
- Other expenditures not defined elsewhere and defined within the chart

¹ Alexandria City Public Schools does not allocate positions based on staffing ratios for middle and high school classrooms. Staffing is determined by course enrollment.

² Arlington County Public Schools core staffing for middle/intermediate and secondary/high schools provide 4.0 core positions to the number of teams per grade level. More information can be found at <https://www.apsva.us/budget-finance/planning-factors/>

³ Fairfax County Public Schools staffing ratios also take into account the number of students eligible for free and reduced-priced meals and ESOL services. Additional teacher positions are allocated from the staffing reserve to help eliminate class size of 30 and above in elementary schools. For a complete listing of staffing formulas, see the appendix of the FY 2023 Approved Budget.

⁴ Fairfax County Public Schools elementary ratio is 24, 25, or 26 based on enrollment in grades 1- 6.

⁵ Montgomery County Public Schools numbers are maximum class size guidelines and not ratios or targets for class sizes. With guidelines for maximums, the actual numbers end up being less than the guideline.
