

HOW TO USE HomeSchool Math: A GUIDING DOCUMENT FOR PARENTS

<p>Notes on General Use</p>	<p>HomeSchool Math is a math resource site that includes free math worksheets, lessons, online math games lists and ebooks for elementary middle and high school.</p>
<p>Recommended time using the website</p>	<p>Similar to any screen time, we strongly recommend no more than 20-30 minutes per day.</p>
<p>Click on HomeSchool Math to open the main web page.</p> <p>Please note- Be aware of ads for downloading PDFs, XL math and other products - do not click the ads</p>	

Choose and click from the following:

Free math worksheets - scroll down the page to choose worksheets by grade level or math skill

Lessons - scroll through the page to choose lessons by grade level or math skill area

Online math games - choose games for math skills within elementary or middle/high school

Math videos - you can find a variety of videos that teach a specific skill in math

Free math worksheets

Generate math worksheets galore from 1st grade number charts to 7th grade proportions and square roots. Customizable and randomly generated.

Lessons & articles

Find free math lessons from 1st grade addition to percent (elementary & middle school).

We also offer articles on mathematics education topics, such as calculator usage, help with word problems, kindergarten math, summer math, and more.

Curriculum guide

Homeschool math curriculum articles, sequence charts, find inexpensive materials, and read ALL popular homeschooling math curriculum by my site visitors.

Online math games & more

A very comprehensive list of online math games and resources, arranged by math topic from addition & subtraction all the way to geometry, algebra, and calculus.

Reviews

Detailed reviews of dozens of interesting math products, including Giggle Facts, Dr. Harold Jacobs, Mathematics, IXL, YourTeacher, Time4Learning, Goodies, Hands-on Equations, etc. etc.

Math videos

My math videos at Youtube teach both the teacher and the student. These will also work as lesson plans for teachers.
