

## Personal Narrative Writing Grade 3-6

**Writers make books about true stories (personal narratives) from their lives.**

- Think of a person, place, or object that is important to you. List the true stories with that person, place, or object.
- Write the story so your readers can picture it.
  - Include dialogue (what people say)
  - Include actions (what people did)
  - Include thinking or feeling.
- Find the most important part of the story and stretch that out bit-by-bit (like you're writing it in slow motion).
- Read it to someone and ask them which parts they can picture like a movie.
