

Nonfiction Reading Grades 3-6

Readers use directions to make things and have fun doing things.

World Book Kids: Activities

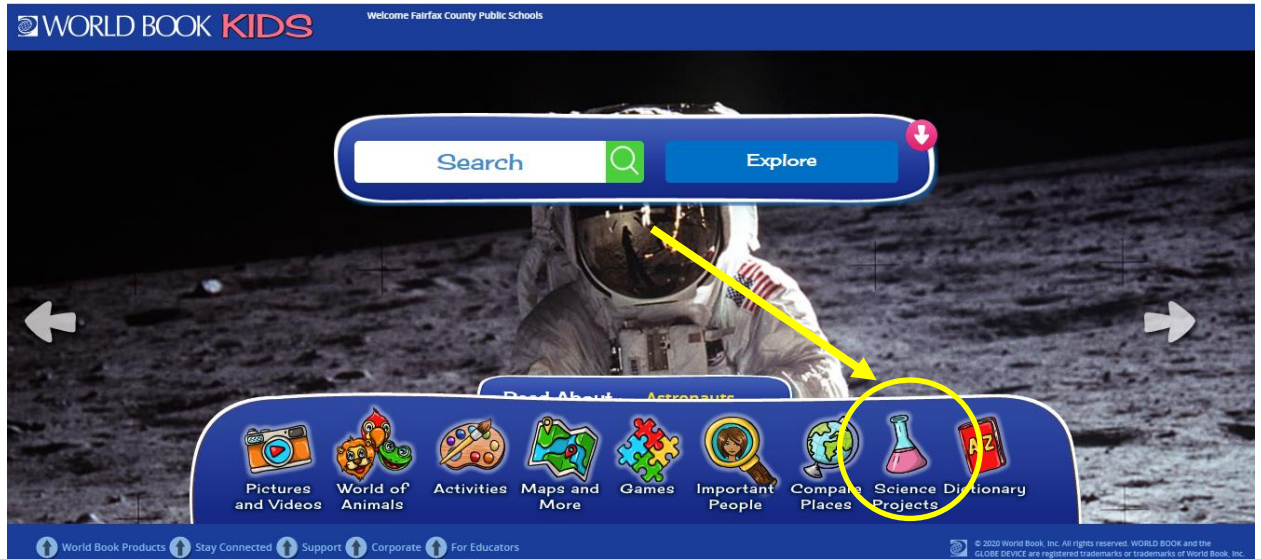

1. Open [World Book Kids](#). Click on **Activities**. You will see many different types of activities.

2. Click and explore the many things you could do.
3. Select something that interests you. Check to make sure you have the materials needed to do the activity.
4. Follow the directions to make or do something. Then you could:
 - Take a digital picture or draw a picture of what you have done.
 - Write about the activity.
 - Send or give your picture, drawing, or writing to a relative, friend, or your teacher telling about what you did.

World Book Kids: Science Projects

You might also like to check out the **Science Projects**. To find out more about yourself, try the three projects under **Your Body**. Then you could write about what you discovered.

Many of the other science projects require materials that you might not have at home, but you could read them and decide which ones you might like to try in the future.
