

# Asian Educators Association

Building the future in education

## Our Impact

- Host Monthly Chomp & Chats, a safe space for members to share experiences & learn from others
- Bring visibility for APIA experiences & stories
- Provide scholarships for APIA Seniors (Picture to the right: First Scholarship Banquet 2023).
- Partnerships with Asian American LEAD, Hamkae Center, & Make Us Visible

## Our Mission

- Organize & participate in networking events to support all educators and the community to advance in equitable educational and leadership opportunities.
- Provide resources & support for professional career development and greater participation in policy-making to ensure that our APIA students, families, staff and community's needs are met.
- Be ambassadors for our APIA community & elevate the voices of those who are historically absent, or left behind in important conversations
