

# The Hispanic Educators Association (HEA)

## Our Mission:

The mission of this organization is to promote collaboration between the home and schools; empower families with educational information and engagement; maintain open lines of communication with Fairfax County Public Schools' Leadership and the Hispanic Educators Association; and encourage student participation in advanced academic programs, leadership activities and school completion. We advocate for the equitable hiring, retention, and advancement of teachers in FCPS. Membership is open to all current and former Fairfax County Public School employees.

## Our Impact:

- Over 26 years of impact to the FCPS community.
- 18 years of scholarships - totaling over \$215,000
- Supported student leadership clubs at high schools
- Membership on FCPS district-wide committees
- 11 years of Career Nights for students
- Annual meetings to discuss issues impacting our community
- Advocacy for our teachers to ensure equity, access to advancement, and for our voices to be at the center of decision-making processes in FCPS.
