# 2021-2022 School Wellness Survey Responses

## ALC at Bryant

### Section A – Physical Education

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- A1: Physical education classes provide students with the minimum time-requirements under FCPS Regulation 3218.	Embedded
- A2: At least 50 percent of physical education class-time includes moderate to vigorous physical activity.	Embedded

### Section B – Physical Activity

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- B1: Withholding recess or physical education is not used as a disciplinary action.	Embedded
- B2: ELEMENTARY SCHOOLS ONLY: On average, our school provides a minimum of 15 minutes per day of supervised recess.	Not an Elementary School

Question: Please highlight any activities or best practices used to promote student's physical activity.

- "Friday afternoon activity periods. Offer Physical Fitness in addition to HPE classes."

### Section C – Health Education

<u>Question: To what extent does your school effectively impart the following topics in FCPS's health education curriculum:</u>	<u>Response</u>
- C1: Promoting Healthy Lifestyles.	Embedded
- C2: Stress Management.	Embedded
- C3: Coping Skills.	Embedded
- C4: Depression.	Embedded
- C5: Suicide Prevention and Awareness.	Embedded
- C6: Mental Health Issues (general).	Embedded
- C7: Relationship of Healthy Sleep to Mental Health.	Embedded
- C8: Substance Abuse Prevention.	Embedded

# 2021-2022 School Wellness Survey Responses

## ALC at Bryant

### Section D – Health Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- D1: FCPS' protocols with respect to student disclosure and display of concerning behaviors, such as harm to self or others.	Embedded
- D2: Students have regular access to public health nurses to address health, safety, and psychological issues.	Transitioning
- D3: Required staff in our school maintain requisite levels of training in emergency first aid, CPR, and AED per the Code of Virginia.	Embedded
- D4: Required staff in our school maintain requisite levels of training in medication administration per FCPS Regulation 2102.	Embedded

### Section E – Healthy and Safe School Environment

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- E1: Encourages children to safely walk or bike to and from school.	No Activity
- E2: Promotes age-appropriate mentorships as a way to help students develop strong, safe, and trusted relationships with respected adults.	Transitioning
- E3: School buildings, grounds, structures, vehicles (if applicable), and equipment are maintained in accordance with FCPS Policy 8560.	Embedded
- E4: Maintains a comprehensive tobacco-free policy in accordance with FCPS' Policy 4419 and Regulation 2152.	Embedded

Question: Please share any school or community specific barriers to promoting a healthy and safe school environment for students.

- "Our students come from half the county so they cannot all walk or bike to school."

### Section F – School Counseling, School Psychology, and School Social Work Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- F1: Monitors school climate and other factors that may contribute to student stress, symptoms of anxiety and depression, and peer and academic pressures and substance use.	Embedded
- F2: Our staff has received required suicide prevention training, as well as training that includes recognition of, and response to, mental and behavioral health needs.	Embedded

## ALC at Bryant

- |   |                          |
|---|--------------------------|
| - F3: Implements programs that foster social and emotional health and wellness of students and staff.   | Embedded                 |
| - F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments.   | Embedded                 |
| - F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance.  | Embedded                 |
| - F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance. | Not a Middle/High School |

### Section G – Health Promotion for Staff Members

Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being:

Response

- |   |          |
|---|----------|
| - G1: Health screenings.  | Embedded |
| - G2: Health care access.   | Embedded |
| - G3: Employee flu immunization clinics.  | Embedded |
| - G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance. | Emerging |
| - G5: Awareness of the Employee Assistance Program Services.  | Embedded |
| - G6: Staff celebrations that offer and encourage healthy choices for food and beverages.   | Emerging |

### Section H – Family and Community Involvement

Question: To what extent does your school implement the following practices:

Response

- |  |           |
|--|-----------|
| - H1: Established a wellness committee to implement activities that support the wellness policy. | Embedded  |
| - H2: Includes a non-staff, family, or community member in our school's wellness committee.      | Exploring |

# 2021-2022 School Wellness Survey Responses

## ALC at Bryant

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

- “We communicate our Wellness goals with our community. A specific challenge for our program is that students are typically assigned for only 45 days so it is hard to develop continuity as students are constantly coming and going.”

### Section I – Food and Nutrition General

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Emerging
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	Emerging
- I9: Allows students to possess personal containers for drinking water.	Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	Not an Elementary School

### Section J – Nutrition Education, Promotion, and Food Marketing

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- J1: Only food and beverages that meet the “Smart Snacks” standards are marketed to students on school grounds during the school day.	Embedded
	Embedded

# 2021-2022 School Wellness Survey Responses

## ALC at Bryant

- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day. No Activity
- J3: We follow FCPS' policy on fundraisers as outlined in R2100.

### Section K – Nutritional Guidelines

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day.	Embedded
- K2: Healthy food and beverage options are encouraged at school-related events outside the school day.	No Activity
- K3: Implements appropriate precautions against severe food allergies.	Embedded
- K4: We follow all nutrition guidelines for food and beverage standards, as outlined in FCPS P2100 and R2100.	Embedded

### Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- "Activity periods every Friday. Health and Wellness Fair. Wellness challenges."

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- "No Response"

Question: Please provide any questions or comments you have with regard to FCPS' Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

- "No Response"

### Summary Tables:

The following graph and table visually summarize your school's responses provided above. Questions in the graph are represented by bars corresponding to the self-reported wellness score. Questions in the table are grouped together according to their self-reported wellness score (e.g., all questions recorded as "embedded" are grouped together, etc.).

### Section I – Food and Nutrition General

# 2021-2022 School Wellness Survey Responses

## Cedar Lane School

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Embedded
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	Embedded
- I9: Allows students to possess personal containers for drinking water.	Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	No Activity

### Section J – Nutrition Education, Promotion, and Food Marketing

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- J1: Only food and beverages that meet the “Smart Snacks” standards are marketed to students on school grounds during the school day.	Embedded
- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day.	Embedded
- J3: We follow FCPS’ policy on fundraisers as outlined in R2100.	Embedded

### Section K – Nutritional Guidelines

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day.	Embedded

# 2021-2022 School Wellness Survey Responses

## Cedar Lane School

- K2: Healthy food and beverage options are encouraged at school-related events outside the school day. Embedded
- K3: Implements appropriate precautions against severe food allergies. Embedded
- K4: We follow all nutrition guidelines for food and beverage standards, as outlined in FCPS P2100 and R2100. Embedded

### Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- “No Response”

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- “No Response”

Question: Please provide any questions or comments you have with regard to FCPS’ Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

- “No Response”

### Summary Tables:

The following graph and table visually summarize your school’s responses provided above. Questions in the graph are represented by bars corresponding to the self-reported wellness score. Questions in the table are grouped together according to their self-reported wellness score (e.g., all questions recorded as “embedded” are grouped together, etc.).

\*Note: Questions are abbreviated by their section and number. Please refer to the report for the question full text.

### Section A – Physical Education

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- A1: Physical education classes provide students with the minimum time-requirements under FCPS Regulation 3218.	No Activity
- A2: At least 50 percent of physical education class-time includes moderate to vigorous physical activity.	No Activity

### Section B – Physical Activity

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- B1: Withholding recess or physical education is not used as a disciplinary action.	No Activity
- B2: ELEMENTARY SCHOOLS ONLY: On average, our school provides a minimum of 15 minutes per day of supervised recess.	Not an Elementary School

Question: Please highlight any activities or best practices used to promote student's physical activity.

- "Our students are out in the community working 3+ hours each day, M-F; building stamina with a focus on tolerance of an extended workday is a key component curriculum here at DCC."

### Section C – Health Education

<u>Question: To what extent does your school effectively impart the following topics in FCPS's health education curriculum:</u>	<u>Response</u>
- C1: Promoting Healthy Lifestyles.	Embedded
- C2: Stress Management.	Embedded
- C3: Coping Skills.	Embedded
- C4: Depression.	Emerging
- C5: Suicide Prevention and Awareness.	Emerging
- C6: Mental Health Issues (general).	Emerging
- C7: Relationship of Healthy Sleep to Mental Health.	Exploring

### Section D – Health Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- D1: FCPS' protocols with respect to student disclosure and display of concerning behaviors, such as harm to self or others.	Embedded
- D2: Students have regular access to public health nurses to address health, safety, and psychological issues.	Embedded
- D3: Required staff in our school maintain requisite levels of training in emergency first aid, CPR, and AED per the Code of Virginia.	Transitioning
- D4: Required staff in our school maintain requisite levels of training in medication administration per FCPS Regulation 2102.	Emerging

### Section E – Healthy and Safe School Environment

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- E1: Encourages children to safely walk or bike to and from school.	No Activity
- E2: Promotes age-appropriate mentorships as a way to help students develop strong, safe, and trusted relationships with respected adults.	No Activity
- E3: School buildings, grounds, structures, vehicles (if applicable), and equipment are maintained in accordance with FCPS Policy 8560.	Embedded
- E4: Maintains a comprehensive tobacco-free policy in accordance with FCPS' Policy 4419 and Regulation 2152.	Embedded

Question: Please share any school or community specific barriers to promoting a healthy and safe school environment for students.

- "Students do now walk to and from school. Walking outside around school is done with staff support. "

### Section F – School Counseling, School Psychology, and School Social Work Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- F1: Monitors school climate and other factors that may contribute to student stress, symptoms of anxiety and depression, and peer and academic pressures and substance use.	Embedded
- F2: Our staff has received required suicide prevention training, as well as training that includes recognition of, and response to, mental and behavioral health needs.	Embedded

# 2021-2022 School Wellness Survey Responses

## Key Center

- F3: Implements programs that foster social and emotional health and wellness of students and staff. Embedded
- F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments. Embedded
- F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance. Emerging
- F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance. No Activity

### Section G – Health Promotion for Staff Members

Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being: Response

- G1: Health screenings. Emerging
- G2: Health care access. Emerging
- G3: Employee flu immunization clinics. Embedded
- G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance. Embedded
- G5: Awareness of the Employee Assistance Program Services. Embedded
- G6: Staff celebrations that offer and encourage healthy choices for food and beverages. Embedded

### Section H – Family and Community Involvement

Question: To what extent does your school implement the following practices: Response

- H1: Established a wellness committee to implement activities that support the wellness policy. Emerging
- H2: Includes a non-staff, family, or community member in our school's wellness committee. Embedded

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

# 2021-2022 School Wellness Survey Responses

## Key Center

- “Wellness tips and contests are shared via email with staff. Fitness challenges are coordinated by Adapted PE staff.”

### Section I – Food and Nutrition General

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Embedded
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	Embedded
- I9: Allows students to possess personal containers for drinking water.	Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	No Activity

### Section J – Nutrition Education, Promotion, and Food Marketing

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- J1: Only food and beverages that meet the “Smart Snacks” standards are marketed to students on school grounds during the school day.	Embedded
- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day.	Embedded
- J3: We follow FCPS’ policy on fundraisers as outlined in R2100.	Embedded

# 2021-2022 School Wellness Survey Responses
