# 2021-2022 School Wellness Survey Responses

## Eagle View Elementary

### Section A – Physical Education

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- A1: Physical education classes provide students with the minimum time-requirements under FCPS Regulation 3218.	Embedded
- A2: At least 50 percent of physical education class-time includes moderate to vigorous physical activity.	Embedded

### Section B – Physical Activity

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- B1: Withholding recess or physical education is not used as a disciplinary action.	Embedded
- B2: ELEMENTARY SCHOOLS ONLY: On average, our school provides a minimum of 15 minutes per day of supervised recess.	Embedded

Question: Please highlight any activities or best practices used to promote student's physical activity.

- "Mindfulness activities as part of morning meeting, movement breaks, including using 'go-noodle'"

### Section C – Health Education

<u>Question: To what extent does your school effectively impart the following topics in FCPS's health education curriculum:</u>	<u>Response</u>
- C1: Promoting Healthy Lifestyles.	Emerging
- C2: Stress Management.	Emerging
- C3: Coping Skills.	Emerging
- C4: Depression.	Transitioning
- C5: Suicide Prevention and Awareness.	Transitioning
- C6: Mental Health Issues (general).	Transitioning
- C7: Relationship of Healthy Sleep to Mental Health.	Transitioning
- C8: Substance Abuse Prevention.	Transitioning

# 2021-2022 School Wellness Survey Responses

## Eagle View Elementary

### Section D – Health Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- D1: FCPS' protocols with respect to student disclosure and display of concerning behaviors, such as harm to self or others.	Emerging
- D2: Students have regular access to public health nurses to address health, safety, and psychological issues.	Embedded
- D3: Required staff in our school maintain requisite levels of training in emergency first aid, CPR, and AED per the Code of Virginia.	Embedded
- D4: Required staff in our school maintain requisite levels of training in medication administration per FCPS Regulation 2102.	Embedded

### Section E – Healthy and Safe School Environment

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- E1: Encourages children to safely walk or bike to and from school.	Transitioning
- E2: Promotes age-appropriate mentorships as a way to help students develop strong, safe, and trusted relationships with respected adults.	Emerging
- E3: School buildings, grounds, structures, vehicles (if applicable), and equipment are maintained in accordance with FCPS Policy 8560.	Embedded
- E4: Maintains a comprehensive tobacco-free policy in accordance with FCPS' Policy 4419 and Regulation 2152.	Embedded

Question: Please share any school or community specific barriers to promoting a healthy and safe school environment for students.

- "none at this time"

### Section F – School Counseling, School Psychology, and School Social Work Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- F1: Monitors school climate and other factors that may contribute to student stress, symptoms of anxiety and depression, and peer and academic pressures and substance use.	Emerging
- F2: Our staff has received required suicide prevention training, as well as training that includes recognition of, and response to, mental and behavioral health needs.	Emerging

# 2021-2022 School Wellness Survey Responses

## Eagle View Elementary

- F3: Implements programs that foster social and emotional health and wellness of students and staff. Transitioning
- F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments. Embedded
- F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance. Emerging
- F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance. Not a Middle/High School

### Section G – Health Promotion for Staff Members

Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being:

Response

- G1: Health screenings. Emerging
- G2: Health care access. Transitioning
- G3: Employee flu immunization clinics. Emerging
- G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance. Transitioning
- G5: Awareness of the Employee Assistance Program Services. Emerging
- G6: Staff celebrations that offer and encourage healthy choices for food and beverages. Emerging

### Section H – Family and Community Involvement

Question: To what extent does your school implement the following practices:

Response

- H1: Established a wellness committee to implement activities that support the wellness policy. Exploring
- H2: Includes a non-staff, family, or community member in our school's wellness committee. Exploring

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

# 2021-2022 School Wellness Survey Responses

## Eagle View Elementary

- "We are working on a wellness committee"

### Section I – Food and Nutrition General

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Embedded
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	Transitioning
- I9: Allows students to possess personal containers for drinking water.	Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	Embedded

### Section J – Nutrition Education, Promotion, and Food Marketing

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- J1: Only food and beverages that meet the "Smart Snacks" standards are marketed to students on school grounds during the school day.	Emerging
- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day.	Transitioning
- J3: We follow FCPS' policy on fundraisers as outlined in R2100.	Transitioning

### Section K – Nutritional Guidelines

# 2021-2022 School Wellness Survey Responses

## Eagle View Elementary

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day.	No Activity
- K2: Healthy food and beverage options are encouraged at school-related events outside the school day.	Emerging
- K3: Implements appropriate precautions against severe food allergies.	Embedded
- K4: We follow all nutrition guidelines for food and beverage standards, as outlined in FCPS P2100 and R2100.	Embedded

### Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- “NA”

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- “PD from central to school staff and the development of a wellness committee. What is their role and how to embed this throughout the school day.”

Question: Please provide any questions or comments you have with regard to FCPS’ Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

- “No Response”

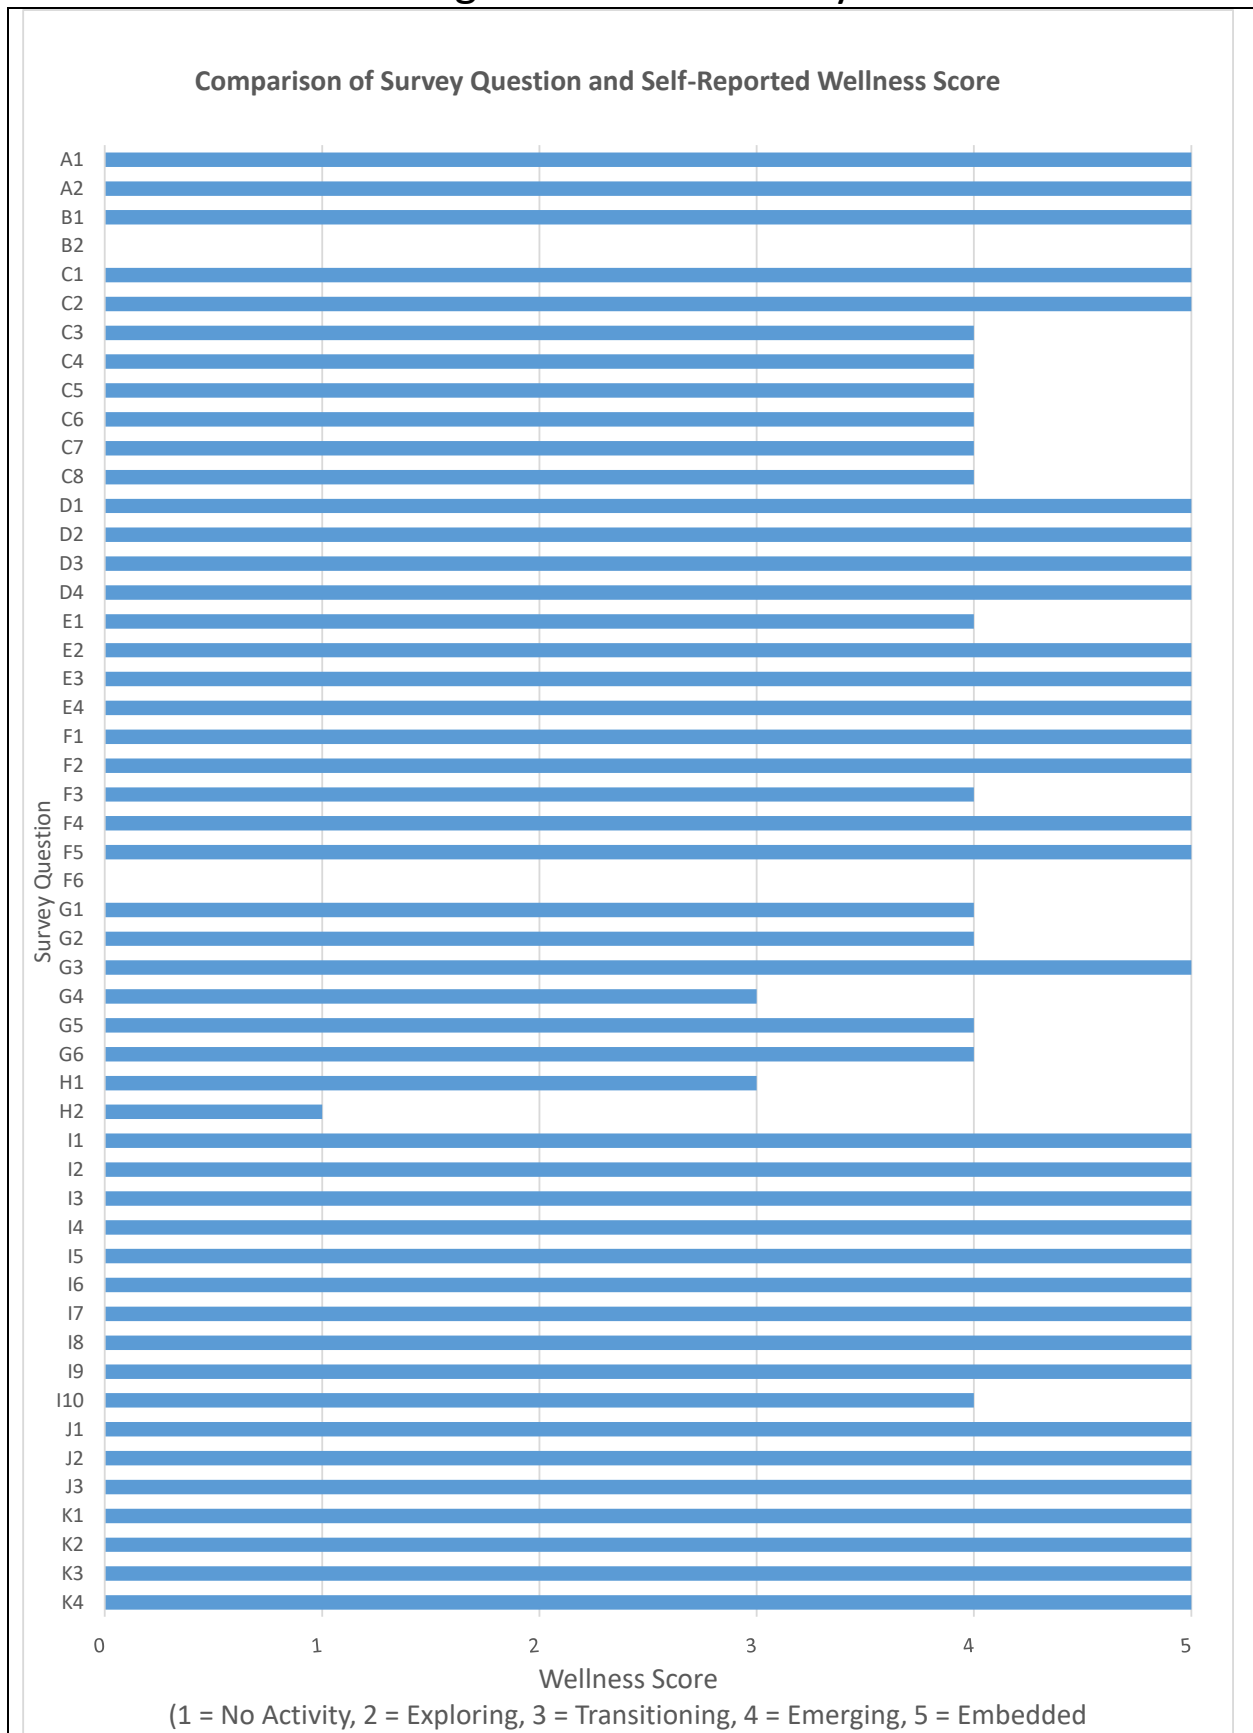

### Summary Tables:

The following graph and table visually summarize your school’s responses provided above. Questions in the graph are represented by bars corresponding to the self-reported wellness score. Questions in the table are grouped together according to their self-reported wellness score (e.g., all questions recorded as “embedded” are grouped together, etc.).

\*Note: Questions are abbreviated by their section and number. Please refer to the report for the question full text.

## Fairfax Villa Elementary

- F3: Implements programs that foster social and emotional health and wellness of students and staff. Embedded
- F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments. Embedded
- F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance. Emerging
- F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance. Not a Middle/High School

### Section G – Health Promotion for Staff Members

Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being:

Response

- G1: Health screenings. Embedded
- G2: Health care access. Embedded
- G3: Employee flu immunization clinics. Embedded
- G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance. Emerging
- G5: Awareness of the Employee Assistance Program Services. Embedded
- G6: Staff celebrations that offer and encourage healthy choices for food and beverages. Emerging

### Section H – Family and Community Involvement

Question: To what extent does your school implement the following practices:

Response

- H1: Established a wellness committee to implement activities that support the wellness policy. Transitioning
- H2: Includes a non-staff, family, or community member in our school's wellness committee. No Activity

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

# 2021-2022 School Wellness Survey Responses

## Fairfax Villa Elementary

- "This will be a key area of growth in the 2022-23 school year."

### Section I – Food and Nutrition General

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Embedded
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	No Activity
- I9: Allows students to possess personal containers for drinking water.	Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	Emerging

### Section J – Nutrition Education, Promotion, and Food Marketing

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- J1: Only food and beverages that meet the "Smart Snacks" standards are marketed to students on school grounds during the school day.	Embedded
- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day.	Embedded
- J3: We follow FCPS' policy on fundraisers as outlined in R2100.	Embedded

### Section K – Nutritional Guidelines

# 2021-2022 School Wellness Survey Responses

## Fairfax Villa Elementary

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day.	Embedded
- K2: Healthy food and beverage options are encouraged at school-related events outside the school day.	Embedded
- K3: Implements appropriate precautions against severe food allergies.	Embedded
- K4: We follow all nutrition guidelines for food and beverage standards, as outlined in FCPS P2100 and R2100.	Embedded

### Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- “Fun Run, After school run club, 5K event, healthy snacks in our after school program”

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- “Work hand in hand with your PTA for healthy programs/events. Lastly, we need a lower student/staff counselor ratio to have a greater impact in these areas!”

Question: Please provide any questions or comments you have with regard to FCPS’ Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

- “We need a lower student/staff counselor ratio to have a greater impact in these areas.”

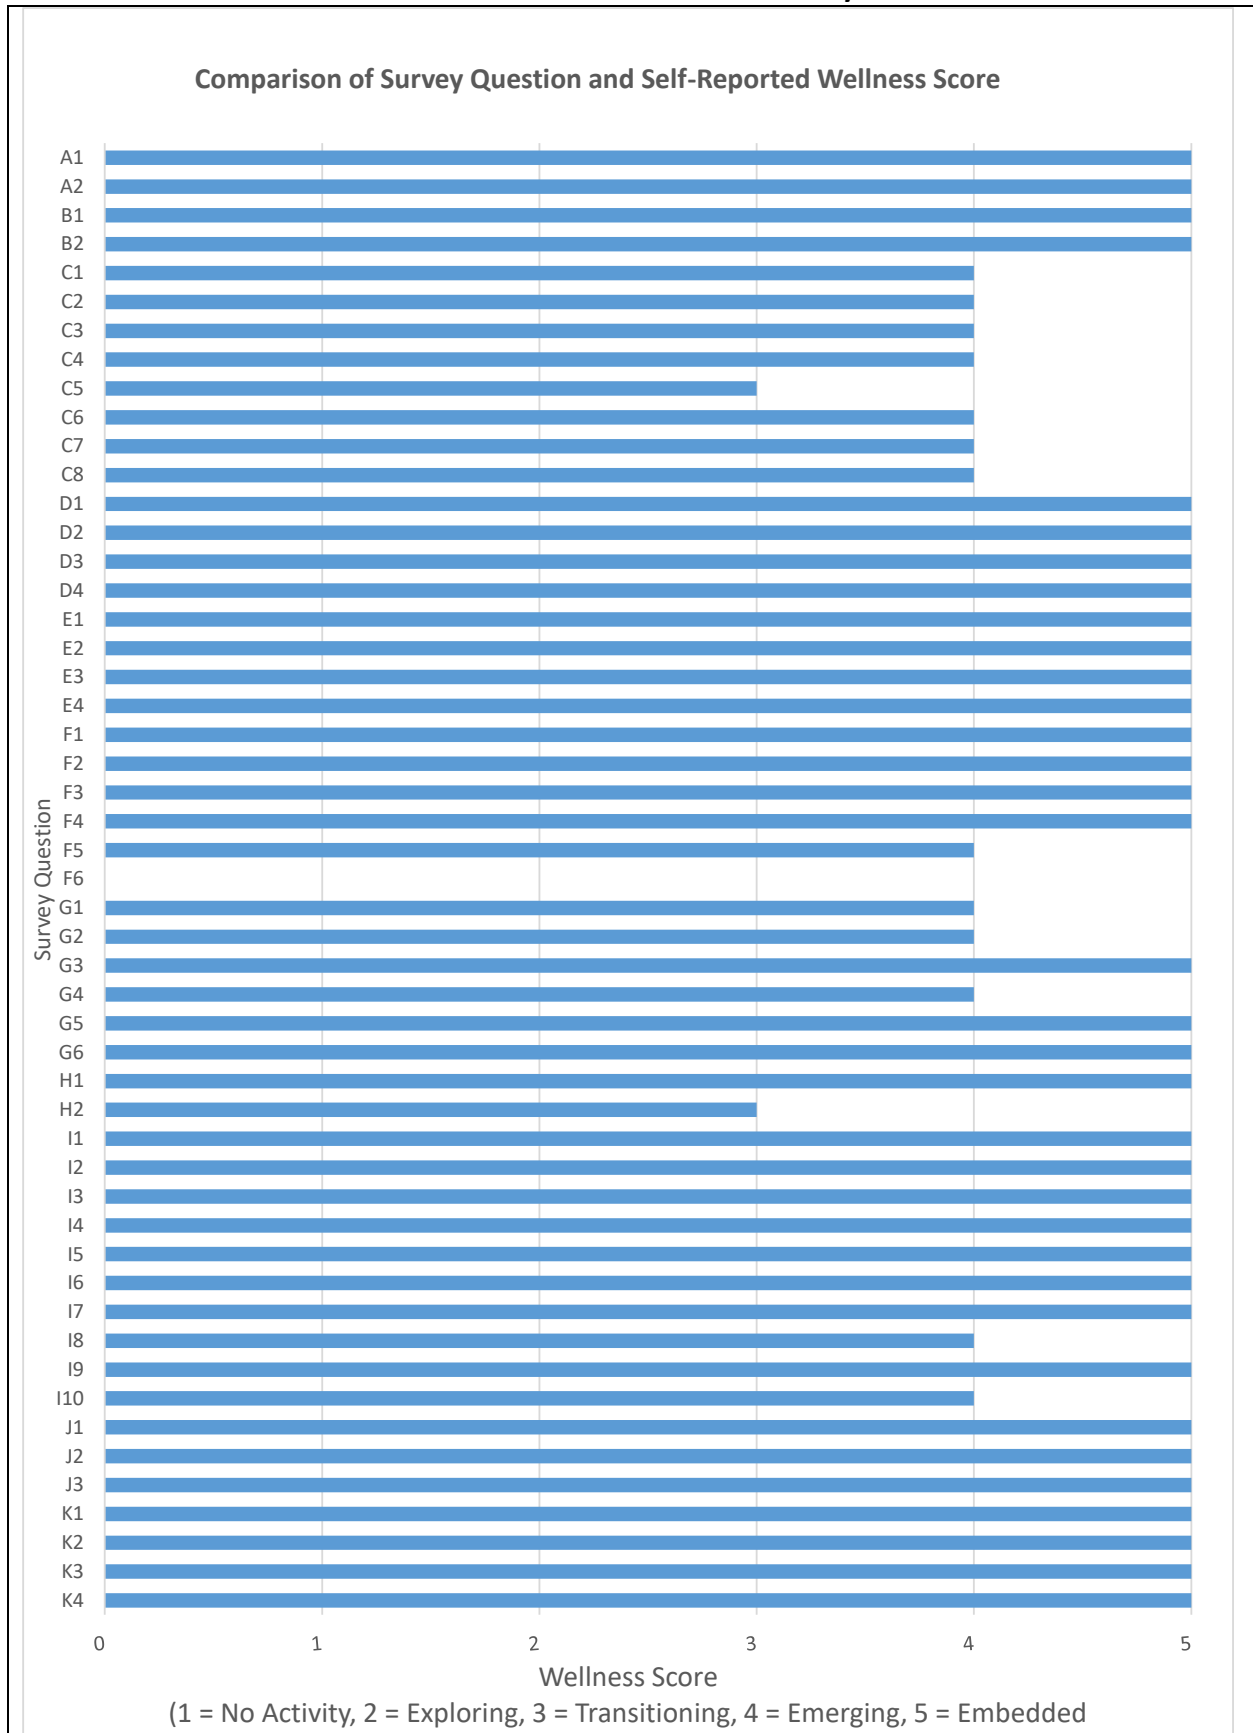

### Summary Tables:

The following graph and table visually summarize your school’s responses provided above. Questions in the graph are represented by bars corresponding to the self-reported wellness score. Questions in the table are grouped together according to their self-reported wellness score (e.g., all questions recorded as “embedded” are grouped together, etc.).

Question: To what extent does your school implement the following practices: Response

- H1: Established a wellness committee to implement activities that support the wellness policy. Emerging
- H2: Includes a non-staff, family, or community member in our school's wellness committee. Exploring

# 2021-2022 School Wellness Survey Responses

## Fairview Elementary

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

- “Now that volunteers are allowed back in the building, parents come in to help us tend our gardens outside, and participate in school wide wellness activities like Field Day.”

### Section I – Food and Nutrition General

Question: To what extent does your school implement the following practices:

	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Exploring
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Emerging
- I5: Encourages the use of non-food items for classroom celebrations.	Embedded
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	Embedded
- I9: Allows students to possess personal containers for drinking water.	Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	Emerging

### Section J – Nutrition Education, Promotion, and Food Marketing

Question: To what extent does your school implement the following practices:

	<u>Response</u>
- J1: Only food and beverages that meet the “Smart Snacks” standards are marketed to students on school grounds during the school day.	Embedded
- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day.	Embedded

# 2021-2022 School Wellness Survey Responses

## Fairview Elementary

- J3: We follow FCPS' policy on fundraisers as outlined in R2100. Embedded

### Section K – Nutritional Guidelines

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day.	Embedded
- K2: Healthy food and beverage options are encouraged at school-related events outside the school day.	Embedded
- K3: Implements appropriate precautions against severe food allergies.	Embedded
- K4: We follow all nutrition guidelines for food and beverage standards, as outlined in FCPS P2100 and R2100.	Embedded

### Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- "Field Day, parent nightly virtual information sessions"

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- "Time for our wellness lead to connect with other schools"

Question: Please provide any questions or comments you have with regard to FCPS' Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

- "No Response"

### Summary Tables:

The following graph and table visually summarize your school's responses provided above. Questions in the graph are represented by bars corresponding to the self-reported wellness score. Questions in the table are grouped together according to their self-reported wellness score (e.g., all questions recorded as "embedded" are grouped together, etc.).

\*Note: Questions are abbreviated by their section and number. Please refer to the report for the question full text.

## Flint Hill Elementary

- C8: Substance Abuse Prevention. No Activity

### Section D – Health Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- D1: FCPS' protocols with respect to student disclosure and display of concerning behaviors, such as harm to self or others.	Embedded
- D2: Students have regular access to public health nurses to address health, safety, and psychological issues.	Embedded
- D3: Required staff in our school maintain requisite levels of training in emergency first aid, CPR, and AED per the Code of Virginia.	Embedded
- D4: Required staff in our school maintain requisite levels of training in medication administration per FCPS Regulation 2102.	Embedded

### Section E – Healthy and Safe School Environment

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- E1: Encourages children to safely walk or bike to and from school.	Embedded
- E2: Promotes age-appropriate mentorships as a way to help students develop strong, safe, and trusted relationships with respected adults.	Embedded
- E3: School buildings, grounds, structures, vehicles (if applicable), and equipment are maintained in accordance with FCPS Policy 8560.	Embedded
- E4: Maintains a comprehensive tobacco-free policy in accordance with FCPS' Policy 4419 and Regulation 2152.	Embedded

Question: Please share any school or community specific barriers to promoting a healthy and safe school environment for students.

- "Our parent community is continuing to develop their understanding of the importance of SEL as a parallel curriculum."

### Section F – School Counseling, School Psychology, and School Social Work Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- F1: Monitors school climate and other factors that may contribute to student stress, symptoms of anxiety and depression, and peer and academic pressures and substance use.	Embedded

# 2021-2022 School Wellness Survey Responses

## Flint Hill Elementary

- F2: Our staff has received required suicide prevention training, as well as training that includes recognition of, and response to, mental and behavioral health needs. Embedded
- F3: Implements programs that foster social and emotional health and wellness of students and staff. Embedded
- F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments. Embedded
- F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance. Embedded
- F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance. Not a Middle/High School

### Section G – Health Promotion for Staff Members

Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being: Response

- G1: Health screenings. Embedded
- G2: Health care access. Embedded
- G3: Employee flu immunization clinics. Embedded
- G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance. Emerging
- G5: Awareness of the Employee Assistance Program Services. Embedded
- G6: Staff celebrations that offer and encourage healthy choices for food and beverages. Embedded

### Section H – Family and Community Involvement

Question: To what extent does your school implement the following practices: Response

- H1: Established a wellness committee to implement activities that support the wellness policy. Embedded
- H2: Includes a non-staff, family, or community member in our school's wellness committee. Exploring

# 2021-2022 School Wellness Survey Responses

## Flint Hill Elementary

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

- “We partner with our PTA, and separately as a school, to provide parent programming in accordance with the perceived needs of our students. For example, this year, we hosted a book chat that focused on developing resilience in children and teens.”

### Section I – Food and Nutrition General

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded

## Forestdale Elementary

### Section A – Physical Education

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- A1: Physical education classes provide students with the minimum time-requirements under FCPS Regulation 3218.	Embedded
- A2: At least 50 percent of physical education class-time includes moderate to vigorous physical activity.	Embedded

### Section B – Physical Activity

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- B1: Withholding recess or physical education is not used as a disciplinary action.	Embedded
- B2: ELEMENTARY SCHOOLS ONLY: On average, our school provides a minimum of 15 minutes per day of supervised recess.	Embedded

Question: Please highlight any activities or best practices used to promote student's physical activity.

- "We have more PE time than the reg requires; after-school ESSER clubs (volleyball, basketball, dance, STEAM); sensory hallway; rotating recess locations (kickball field, playground, blacktop with recess equipment)"

### Section C – Health Education

<u>Question: To what extent does your school effectively impart the following topics in FCPS's health education curriculum:</u>	<u>Response</u>
- C1: Promoting Healthy Lifestyles.	Emerging
- C2: Stress Management.	Transitioning
- C3: Coping Skills.	Transitioning
- C4: Depression.	Transitioning
- C5: Suicide Prevention and Awareness.	Transitioning
- C6: Mental Health Issues (general).	Transitioning
- C7: Relationship of Healthy Sleep to Mental Health.	Transitioning

# 2021-2022 School Wellness Survey Responses

## Forestdale Elementary

- C8: Substance Abuse Prevention. Transitioning

### Section D – Health Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- D1: FCPS’ protocols with respect to student disclosure and display of concerning behaviors, such as harm to self or others.	Embedded
- D2: Students have regular access to public health nurses to address health, safety, and psychological issues.	Exploring
- D3: Required staff in our school maintain requisite levels of training in emergency first aid, CPR, and AED per the Code of Virginia.	Embedded
- D4: Required staff in our school maintain requisite levels of training in medication administration per FCPS Regulation 2102.	Embedded

### Section E – Healthy and Safe School Environment

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- E1: Encourages children to safely walk or bike to and from school.	Exploring
- E2: Promotes age-appropriate mentorships as a way to help students develop strong, safe, and trusted relationships with respected adults.	Emerging
- E3: School buildings, grounds, structures, vehicles (if applicable), and equipment are maintained in accordance with FCPS Policy 8560.	Embedded
- E4: Maintains a comprehensive tobacco-free policy in accordance with FCPS’ Policy 4419 and Regulation 2152.	Embedded

Question: Please share any school or community specific barriers to promoting a healthy and safe school environment for students.

- “It will be wonderful when we can have a full time PHN; we need more allocated school counselors (1.5- previously 1.0-) is not enough to support the mental health and trauma needs of our students and families and still ensure quality tier 1 and 2 SEL and counseling lessons.”

### Section F – School Counseling, School Psychology, and School Social Work Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
---	-----------------

# 2021-2022 School Wellness Survey Responses

## Forestdale Elementary

- |   |                          |
|---|--------------------------|
| - F1: Monitors school climate and other factors that may contribute to student stress, symptoms of anxiety and depression, and peer and academic pressures and substance use.                                     | Emerging                 |
| - F2: Our staff has received required suicide prevention training, as well as training that includes recognition of, and response to, mental and behavioral health needs.   | Embedded                 |
| - F3: Implements programs that foster social and emotional health and wellness of students and staff.   | Embedded                 |
| - F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments.   | Embedded                 |
| - F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance.  | Transitioning            |
| - F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance. | Not a Middle/High School |

### Section G – Health Promotion for Staff Members

Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being: Response

- |   |               |
|---|---------------|
| - G1: Health screenings.  | Embedded      |
| - G2: Health care access.   | Embedded      |
| - G3: Employee flu immunization clinics.  | Embedded      |
| - G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance. | Transitioning |
| - G5: Awareness of the Employee Assistance Program Services.  | Embedded      |
| - G6: Staff celebrations that offer and encourage healthy choices for food and beverages.   | Emerging      |

### Section H – Family and Community Involvement

Question: To what extent does your school implement the following practices: Response

- |  |               |
|--|---------------|
| - H1: Established a wellness committee to implement activities that support the wellness policy. | Transitioning |
|--|---------------|

# 2021-2022 School Wellness Survey Responses

## Forestdale Elementary

- H2: Includes a non-staff, family, or community member in our school's wellness committee. Exploring

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

- "We are working on encouraging more family involvement in our committees."

### Section I – Food and Nutrition General

Question: To what extent does your school implement the following practices:

- |  | <u>Response</u> |
|--|-----------------|
| - I1: All students have at least 20 minutes to eat after sitting down for lunch.   | Embedded        |
| - I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food. | Embedded        |
| - I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.                                     | Embedded        |
| - I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.  | Embedded        |
| - I5: Encourages the use of non-food items for classroom celebrations.   | Embedded        |
| - I6: Withholding access to food is not used as a disciplinary action.   | Embedded        |
| - I7: Potable water is available to all our students at no cost.   | Embedded        |
| - I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).  | Exploring       |
| - I9: Allows students to possess personal containers for drinking water.   | Embedded        |
| - I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.  | Emerging        |

### Section J – Nutrition Education, Promotion, and Food Marketing

Question: To what extent does your school implement the following practices:

- |  | <u>Response</u> |
|--|-----------------|
| - J1: Only food and beverages that meet the "Smart Snacks" standards are marketed to students on school grounds during the school day. | Embedded        |
|  | Embedded        |

# 2021-2022 School Wellness Survey Responses

## Forestdale Elementary

- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day.
- J3: We follow FCPS' policy on fundraisers as outlined in R2100. Embedded

### Section K – Nutritional Guidelines

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day.	Embedded
- K2: Healthy food and beverage options are encouraged at school-related events outside the school day.	Embedded
- K3: Implements appropriate precautions against severe food allergies.	Embedded
- K4: We follow all nutrition guidelines for food and beverage standards, as outlined in FCPS P2100 and R2100.	Embedded

### Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- "Wellness Wednesdays for staff (Yoga in the morning, healthy drinks and snacks); purchasing and installing water bottle filling stations (to replace standard water fountains) with the support of the PTA"

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- "No Response"

Question: Please provide any questions or comments you have with regard to FCPS' Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

- "No Response"

### Summary Tables:

The following graph and table visually summarize your school's responses provided above. Questions in the graph are represented by bars corresponding to the self-reported wellness score. Questions in the table are grouped together according to their self-reported wellness score (e.g., all questions recorded as "embedded" are grouped together, etc.).

### Section G – Health Promotion for Staff Members

Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being: Response

- |   |          |
|---|----------|
| - G1: Health screenings.  | Embedded |
| - G2: Health care access.   | Embedded |
| - G3: Employee flu immunization clinics.  | Embedded |
| - G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance. | Emerging |
| - G5: Awareness of the Employee Assistance Program Services.  | Embedded |
| - G6: Staff celebrations that offer and encourage healthy choices for food and beverages.   | Embedded |

### Section H – Family and Community Involvement

Question: To what extent does your school implement the following practices: Response

- |  |          |
|--|----------|
| - H1: Established a wellness committee to implement activities that support the wellness policy. | Embedded |
|--|----------|

# 2021-2022 School Wellness Survey Responses

## Fort Belvoir Upper School

- H2: Includes a non-staff, family, or community member in our school's wellness committee.

Exploring

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

- "This one is emerging. We have been promoting family involvement by ensuring the information is sent out via the school newsletter and classroom/grade level newsletters. We haven't been able to have many parents in the building this year, so we've stuck with communication as they key engagement mode. We have quarterly community meetings w/ the garrison and family/child-serving agencies on post to communicate school programming and events."

### Section I – Food and Nutrition General

Question: To what extent does your school implement the following practices:

Response

- I1: All students have at least 20 minutes to eat after sitting down for lunch. Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food. Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities. Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals. Embedded
- I5: Encourages the use of non-food items for classroom celebrations. Embedded
- I6: Withholding access to food is not used as a disciplinary action. Embedded
- I7: Potable water is available to all our students at no cost. Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS). Embedded
- I9: Allows students to possess personal containers for drinking water. Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible. Embedded

### Section J – Nutrition Education, Promotion, and Food Marketing

# 2021-2022 School Wellness Survey Responses

## Fort Belvoir Upper School

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- J1: Only food and beverages that meet the "Smart Snacks" standards are marketed to students on school grounds during the school day.	Embedded
- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day.	Embedded
- J3: We follow FCPS' policy on fundraisers as outlined in R2100.	Embedded

### Section K – Nutritional Guidelines

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day.	Embedded
- K2: Healthy food and beverage options are encouraged at school-related events outside the school day.	Embedded
- K3: Implements appropriate precautions against severe food allergies.	Embedded
- K4: We follow all nutrition guidelines for food and beverage standards, as outlined in FCPS P2100 and R2100.	Embedded

### Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- "We promote wellness regularly in Morning Meeting lessons provided to all teachers; MM lessons also include "coping strategy of the week", which teachers practice daily with students, giving both the opportunity to take a "mindful moment" at least once/day; we also are starting a "Wellness Warriors" after school program this month, to encourage health bodies and minds; "

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- "TBD; we're actively working on different things that we hope will be effective and awaiting EOY survey and screening data"

Question: Please provide any questions or comments you have with regard to FCPS' Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

- "none at this time"

### Summary Tables:

# 2021-2022 School Wellness Survey Responses

## Fort Belvoir Upper School

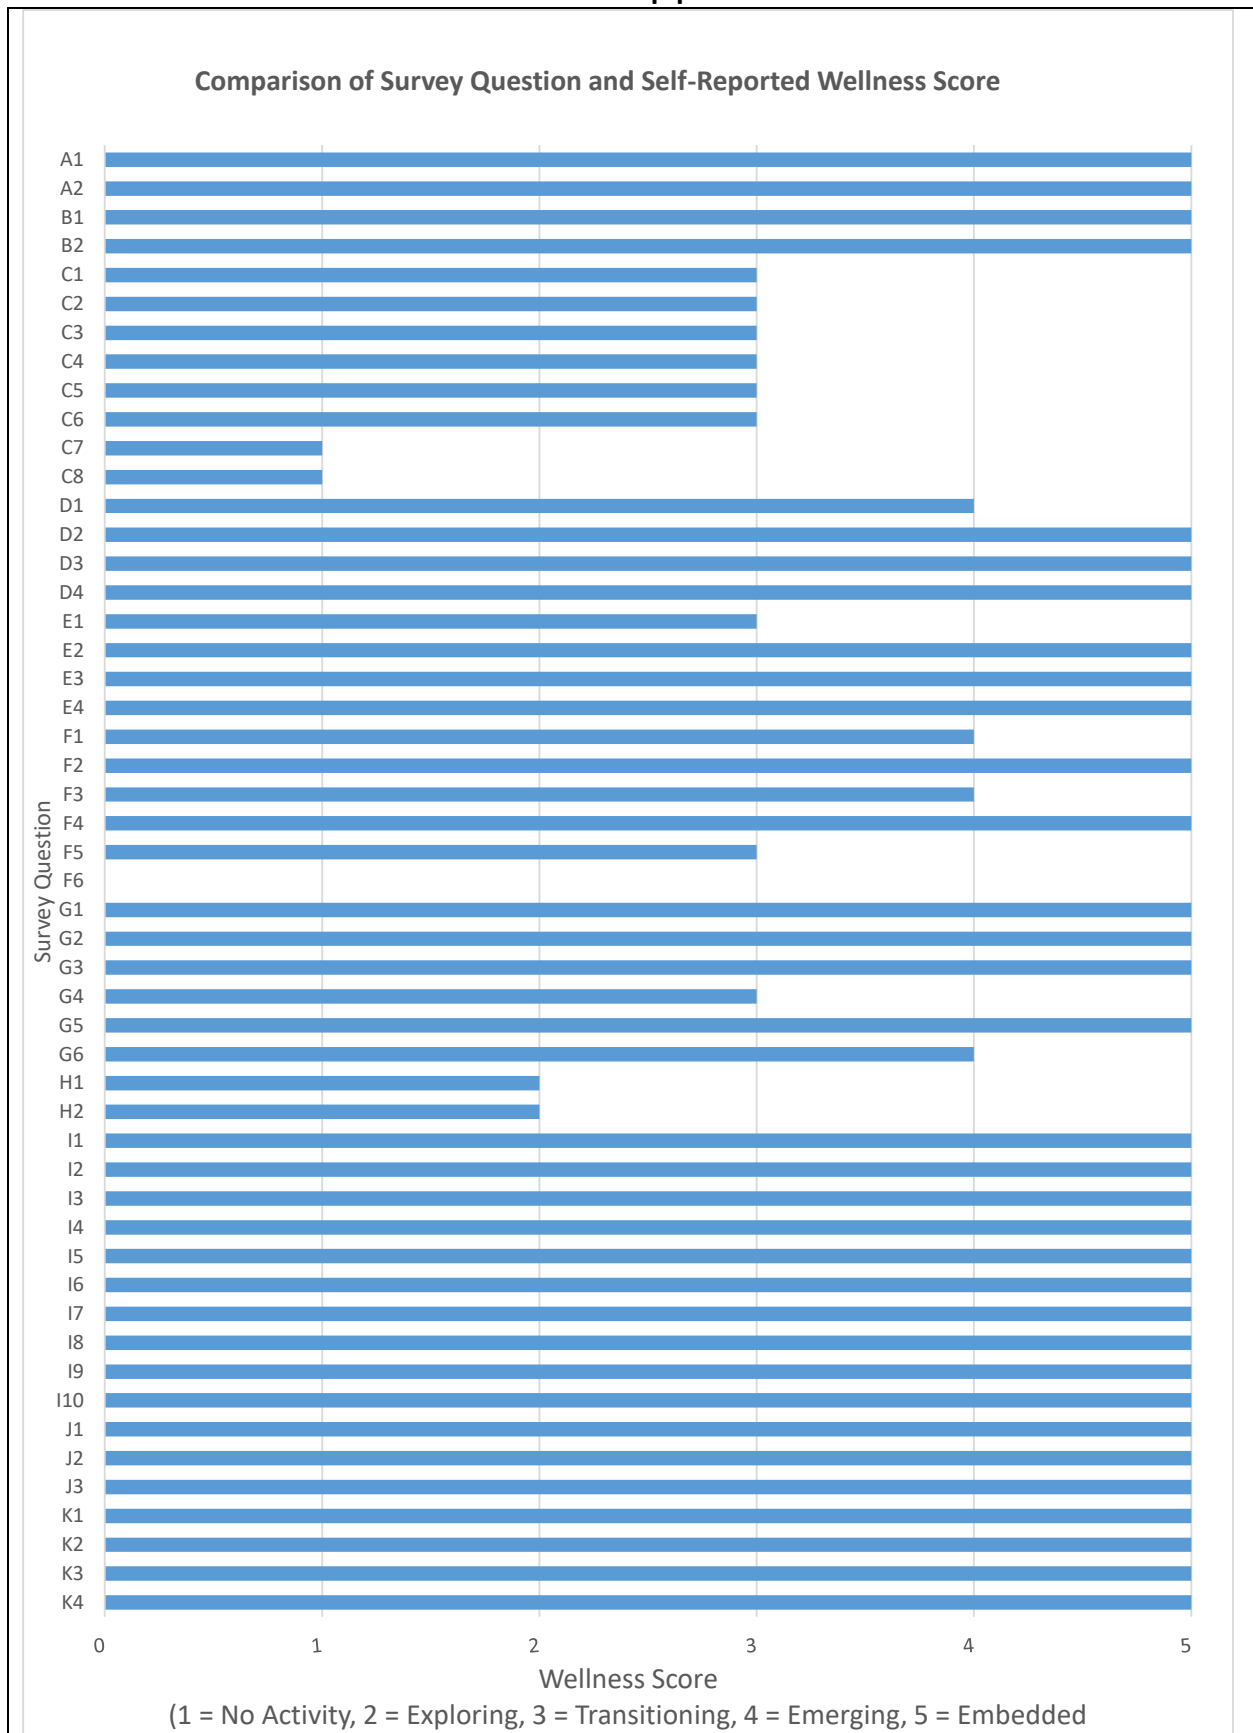

The following graph and table visually summarize your school's responses provided above. Questions in the graph are represented by bars corresponding to the self-reported wellness score. Questions in the table are grouped together according to their self-reported wellness score (e.g., all questions recorded as "embedded" are grouped together, etc.).

\*Note: Questions are abbreviated by their section and number. Please refer to the report for the question full text.

## Fort Hunt Elementary

### Section A – Physical Education

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- A1: Physical education classes provide students with the minimum time-requirements under FCPS Regulation 3218.	Embedded
- A2: At least 50 percent of physical education class-time includes moderate to vigorous physical activity.	Embedded

### Section B – Physical Activity

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- B1: Withholding recess or physical education is not used as a disciplinary action.	Embedded
- B2: ELEMENTARY SCHOOLS ONLY: On average, our school provides a minimum of 15 minutes per day of supervised recess.	Embedded

Question: Please highlight any activities or best practices used to promote student's physical activity.

- "This year we had the traveling bike unit come to the school to teach bike safety and to teach how to ride for those students that did not know. We follow the FCPS and State Standards of Learning for Physical Education. We bought and distributed new recess equipment for students to use at each grade level and for appropriate age level."

### Section C – Health Education

<u>Question: To what extent does your school effectively impart the following topics in FCPS's health education curriculum:</u>	<u>Response</u>
- C1: Promoting Healthy Lifestyles.	Embedded
- C2: Stress Management.	Embedded
- C3: Coping Skills.	Embedded
- C4: Depression.	Emerging
- C5: Suicide Prevention and Awareness.	Emerging
- C6: Mental Health Issues (general).	Embedded
- C7: Relationship of Healthy Sleep to Mental Health.	Embedded

# 2021-2022 School Wellness Survey Responses

## Fort Hunt Elementary

- C8: Substance Abuse Prevention. Emerging

### Section D – Health Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- D1: FCPS' protocols with respect to student disclosure and display of concerning behaviors, such as harm to self or others.	Embedded
- D2: Students have regular access to public health nurses to address health, safety, and psychological issues.	Emerging
- D3: Required staff in our school maintain requisite levels of training in emergency first aid, CPR, and AED per the Code of Virginia.	Embedded
- D4: Required staff in our school maintain requisite levels of training in medication administration per FCPS Regulation 2102.	Embedded

### Section E – Healthy and Safe School Environment

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- E1: Encourages children to safely walk or bike to and from school.	Embedded
- E2: Promotes age-appropriate mentorships as a way to help students develop strong, safe, and trusted relationships with respected adults.	Embedded
- E3: School buildings, grounds, structures, vehicles (if applicable), and equipment are maintained in accordance with FCPS Policy 8560.	Embedded
- E4: Maintains a comprehensive tobacco-free policy in accordance with FCPS' Policy 4419 and Regulation 2152.	Embedded

Question: Please share any school or community specific barriers to promoting a healthy and safe school environment for students.

- "No barriers; we are working hard to make up and meet the needs of our school community now that the pandemic is at a low level and we are in person learning. "

### Section F – School Counseling, School Psychology, and School Social Work Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
---	-----------------

# 2021-2022 School Wellness Survey Responses

## Fort Hunt Elementary

- F1: Monitors school climate and other factors that may contribute to student stress, symptoms of anxiety and depression, and peer and academic pressures and substance use. Emerging
- F2: Our staff has received required suicide prevention training, as well as training that includes recognition of, and response to, mental and behavioral health needs. Embedded

- |   |                          |
|---|--------------------------|
| - F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments.   | Embedded                 |
| - F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance.  | No Activity              |
| - F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance. | Not a Middle/High School |

### Section G – Health Promotion for Staff Members

Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being:

Response

- |   |               |
|---|---------------|
| - G1: Health screenings.  | No Activity   |
| - G2: Health care access.   | Exploring     |
| - G3: Employee flu immunization clinics.  | Embedded      |
| - G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance. | No Activity   |
| - G5: Awareness of the Employee Assistance Program Services.  | Exploring     |
| - G6: Staff celebrations that offer and encourage healthy choices for food and beverages.   | Transitioning |

### Section H – Family and Community Involvement

Question: To what extent does your school implement the following practices:

Response

- |  |             |
|--|-------------|
| - H1: Established a wellness committee to implement activities that support the wellness policy. | No Activity |
| - H2: Includes a non-staff, family, or community member in our school's wellness committee.      | No Activity |

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

- "none"

# 2021-2022 School Wellness Survey Responses

## Graham Road Elementary

### Section I – Food and Nutrition General

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Embedded
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	No Activity
- I9: Allows students to possess personal containers for drinking water.	Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	Embedded

### Section J – Nutrition Education, Promotion, and Food Marketing

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- J1: Only food and beverages that meet the “Smart Snacks” standards are marketed to students on school grounds during the school day.	Embedded
- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day.	Emerging
- J3: We follow FCPS’ policy on fundraisers as outlined in R2100.	Embedded

### Section K – Nutritional Guidelines

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
---	-----------------

2021-2022 School Wellness Survey Responses

Greenbriar West Elementary

# 2021-2022 School Wellness Survey Responses

## Groveton Elementary

### Section A – Physical Education

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- A1: Physical education classes provide students with the minimum time-requirements under FCPS Regulation 3218.	Embedded
- A2: At least 50 percent of physical education class-time includes moderate to vigorous physical activity.	Embedded

### Section B – Physical Activity

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- B1: Withholding recess or physical education is not used as a disciplinary action.	Embedded
- B2: ELEMENTARY SCHOOLS ONLY: On average, our school provides a minimum of 15 minutes per day of supervised recess.	Not an Elementary School

Question: Please highlight any activities or best practices used to promote student's physical activity.

- "CALM (Wellness Class) as part of specials rotation"

### Section C – Health Education

<u>Question: To what extent does your school effectively impart the following topics in FCPS's health education curriculum:</u>	<u>Response</u>
- C1: Promoting Healthy Lifestyles.	Embedded
- C2: Stress Management.	Embedded
- C3: Coping Skills.	Embedded
- C4: Depression.	Embedded
- C5: Suicide Prevention and Awareness.	Embedded
- C6: Mental Health Issues (general).	Embedded
- C7: Relationship of Healthy Sleep to Mental Health.	Embedded
- C8: Substance Abuse Prevention.	Embedded

### Section D – Health Services

# 2021-2022 School Wellness Survey Responses

## Groveton Elementary

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- D1: FCPS' protocols with respect to student disclosure and display of concerning behaviors, such as harm to self or others.	Embedded
- D2: Students have regular access to public health nurses to address health, safety, and psychological issues.	Embedded
- D3: Required staff in our school maintain requisite levels of training in emergency first aid, CPR, and AED per the Code of Virginia.	Embedded
- D4: Required staff in our school maintain requisite levels of training in medication administration per FCPS Regulation 2102.	Embedded

### Section E – Healthy and Safe School Environment

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- E1: Encourages children to safely walk or bike to and from school.	Emerging
- E2: Promotes age-appropriate mentorships as a way to help students develop strong, safe, and trusted relationships with respected adults.	Embedded
- E3: School buildings, grounds, structures, vehicles (if applicable), and equipment are maintained in accordance with FCPS Policy 8560.	Embedded
- E4: Maintains a comprehensive tobacco-free policy in accordance with FCPS' Policy 4419 and Regulation 2152.	Embedded

Question: Please share any school or community specific barriers to promoting a healthy and safe school environment for students.

- "Groveton just got a crossing guard this school year so we are continuing to grow our number of walkers."

### Section F – School Counseling, School Psychology, and School Social Work Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- F1: Monitors school climate and other factors that may contribute to student stress, symptoms of anxiety and depression, and peer and academic pressures and substance use.	Embedded
- F2: Our staff has received required suicide prevention training, as well as training that includes recognition of, and response to, mental and behavioral health needs.	Embedded

# 2021-2022 School Wellness Survey Responses

## Groveton Elementary

- F3: Implements programs that foster social and emotional health and wellness of students and staff. Embedded
- F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments. Embedded
- F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance. Embedded
- F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance. Not a Middle/High School

### Section G – Health Promotion for Staff Members

Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being:

Response

- G1: Health screenings. Emerging
- G2: Health care access. Emerging
- G3: Employee flu immunization clinics. Embedded
- G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance. Embedded
- G5: Awareness of the Employee Assistance Program Services. Embedded
- G6: Staff celebrations that offer and encourage healthy choices for food and beverages. Emerging

### Section H – Family and Community Involvement

Question: To what extent does your school implement the following practices:

Response

- H1: Established a wellness committee to implement activities that support the wellness policy. Embedded
- H2: Includes a non-staff, family, or community member in our school's wellness committee. Transitioning

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

# 2021-2022 School Wellness Survey Responses

## Groveton Elementary

- “none”

### Section I – Food and Nutrition General

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Embedded
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	Embedded
- I9: Allows students to possess personal containers for drinking water.	Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	Embedded

### Section J – Nutrition Education, Promotion, and Food Marketing

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- J1: Only food and beverages that meet the “Smart Snacks” standards are marketed to students on school grounds during the school day.	Embedded
- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day.	Embedded
- J3: We follow FCPS’ policy on fundraisers as outlined in R2100.	Embedded

### Section K – Nutritional Guidelines

# 2021-2022 School Wellness Survey Responses

## Groveton Elementary

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day.	Embedded
- K2: Healthy food and beverage options are encouraged at school-related events outside the school day.	Embedded
- K3: Implements appropriate precautions against severe food allergies.	Embedded
- K4: We follow all nutrition guidelines for food and beverage standards, as outlined in FCPS P2100 and R2100.	Embedded

### Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- “Wellness Night”

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- “No Response”

Question: Please provide any questions or comments you have with regard to FCPS’ Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

- “No Response”

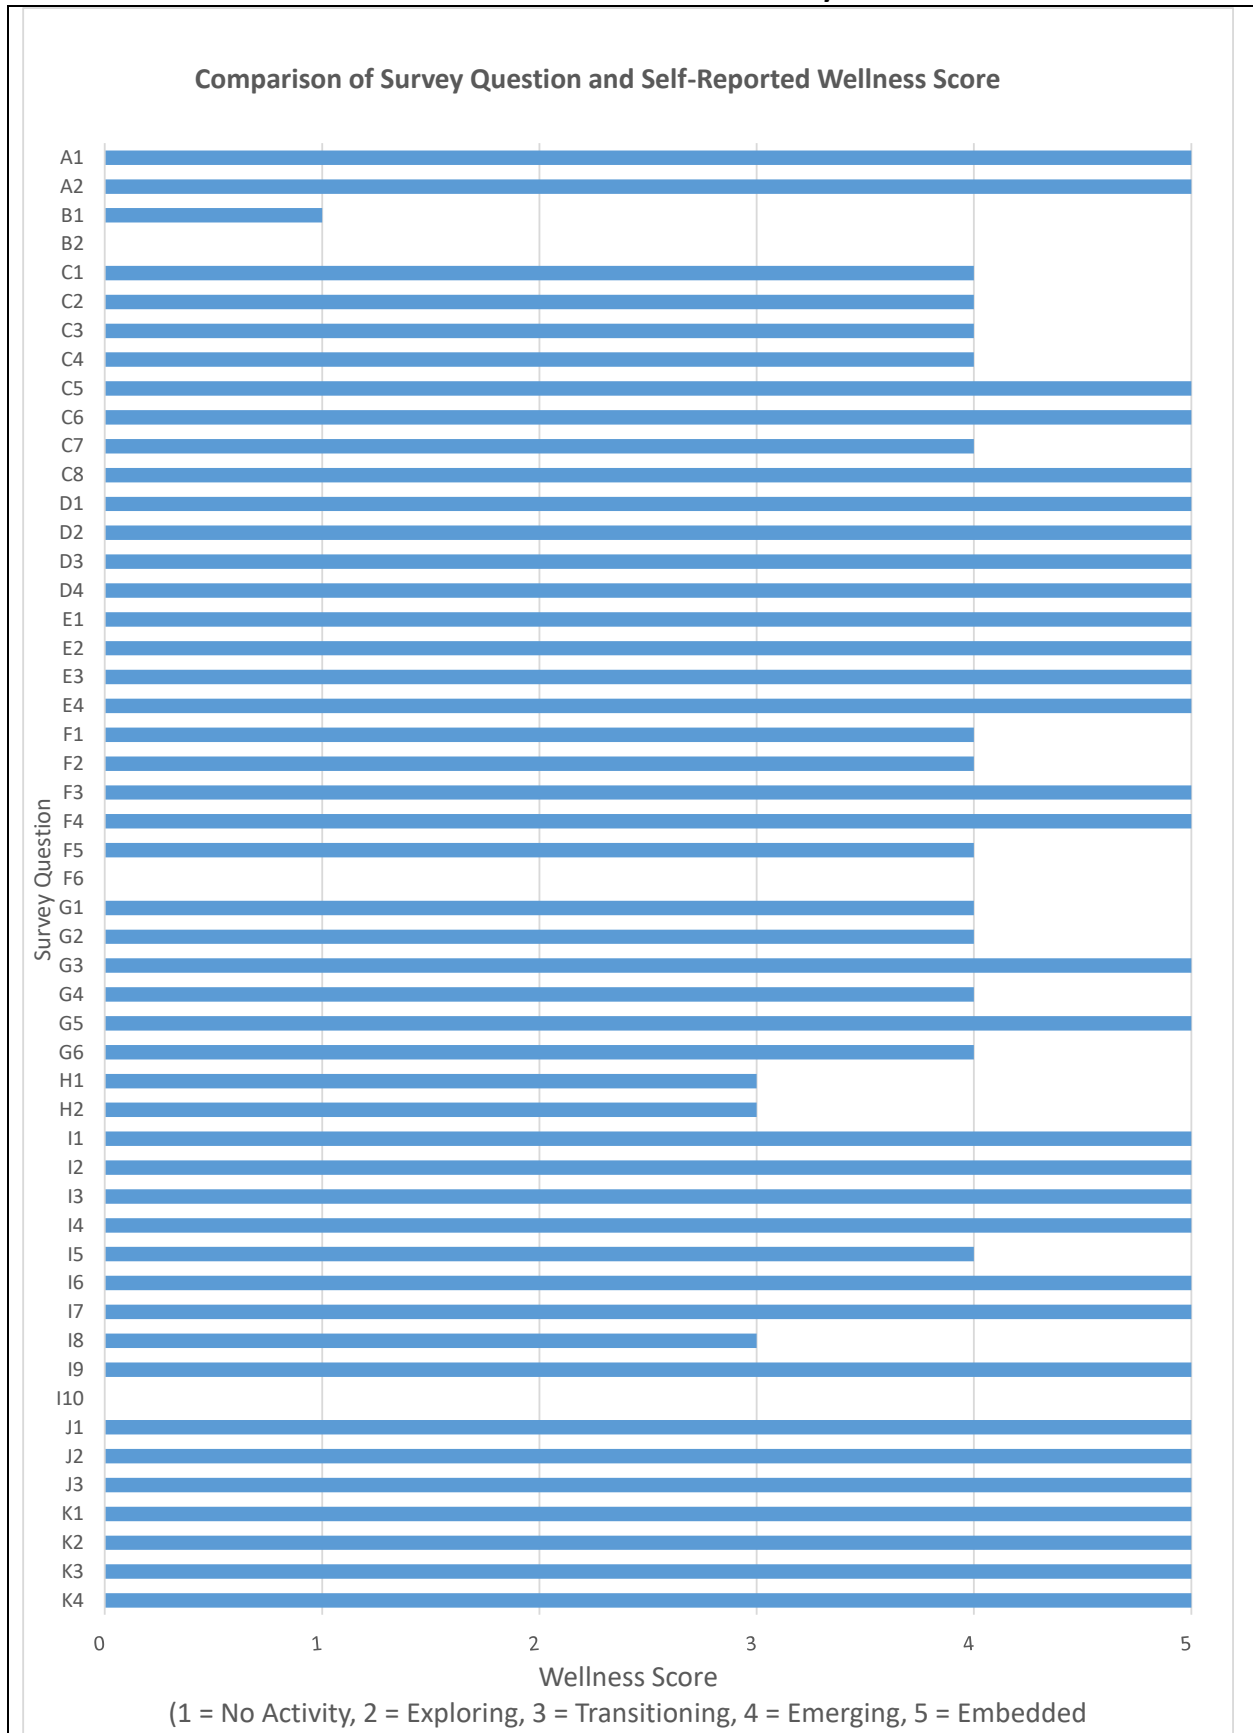

### Summary Tables:

The following graph and table visually summarize your school’s responses provided above. Questions in the graph are represented by bars corresponding to the self-reported wellness score. Questions in the table are grouped together according to their self-reported wellness score (e.g., all questions recorded as “embedded” are grouped together, etc.).

\*Note: Questions are abbreviated by their section and number. Please refer to the report for the question full text.

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

# 2021-2022 School Wellness Survey Responses

## Haycock Elementary

- "Share Wellness Information in our Weekly School Newsletter"

### Section I – Food and Nutrition General

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Embedded
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	No Activity
- I9: Allows students to possess personal containers for drinking water.	Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	Transitioning

### Section J – Nutrition Education, Promotion, and Food Marketing

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- J1: Only food and beverages that meet the "Smart Snacks" standards are marketed to students on school grounds during the school day.	Embedded
- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day.	Embedded
- J3: We follow FCPS' policy on fundraisers as outlined in R2100.	Embedded

### Section K – Nutritional Guidelines

# 2021-2022 School Wellness Survey Responses

## Haycock Elementary

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day.	Embedded
- K2: Healthy food and beverage options are encouraged at school-related events outside the school day.	Embedded
- K3: Implements appropriate precautions against severe food allergies.	Embedded
- K4: We follow all nutrition guidelines for food and beverage standards, as outlined in FCPS P2100 and R2100.	Embedded

### Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- “Participated in the Staff Flu Shot Clinics Offered a Staff Weekend Hike for staff and their families and dogs at Lake Fairfax Offered a Gratitude/Self Care Calendar for the staff to complete between Thanksgiving and Winter break. Offered a free Yoga class on New Year's Day Reminded Staff about Welbeats Reminded Staff about Fall and Spring FCPS Wellness Challenge Second Step Program for Teachers to teach lessons to our students Walk to School Day Bike To School Day ”

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- “The equipment that our school provides our students at recess comes out of our school budget. We limit the cost and amount of equipment to not use up much of the budget. Perhaps if \$ or county wide supplied equipment would help with equity and access to equipment.”

Question: Please provide any questions or comments you have with regard to FCPS’ Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

- “No Response”

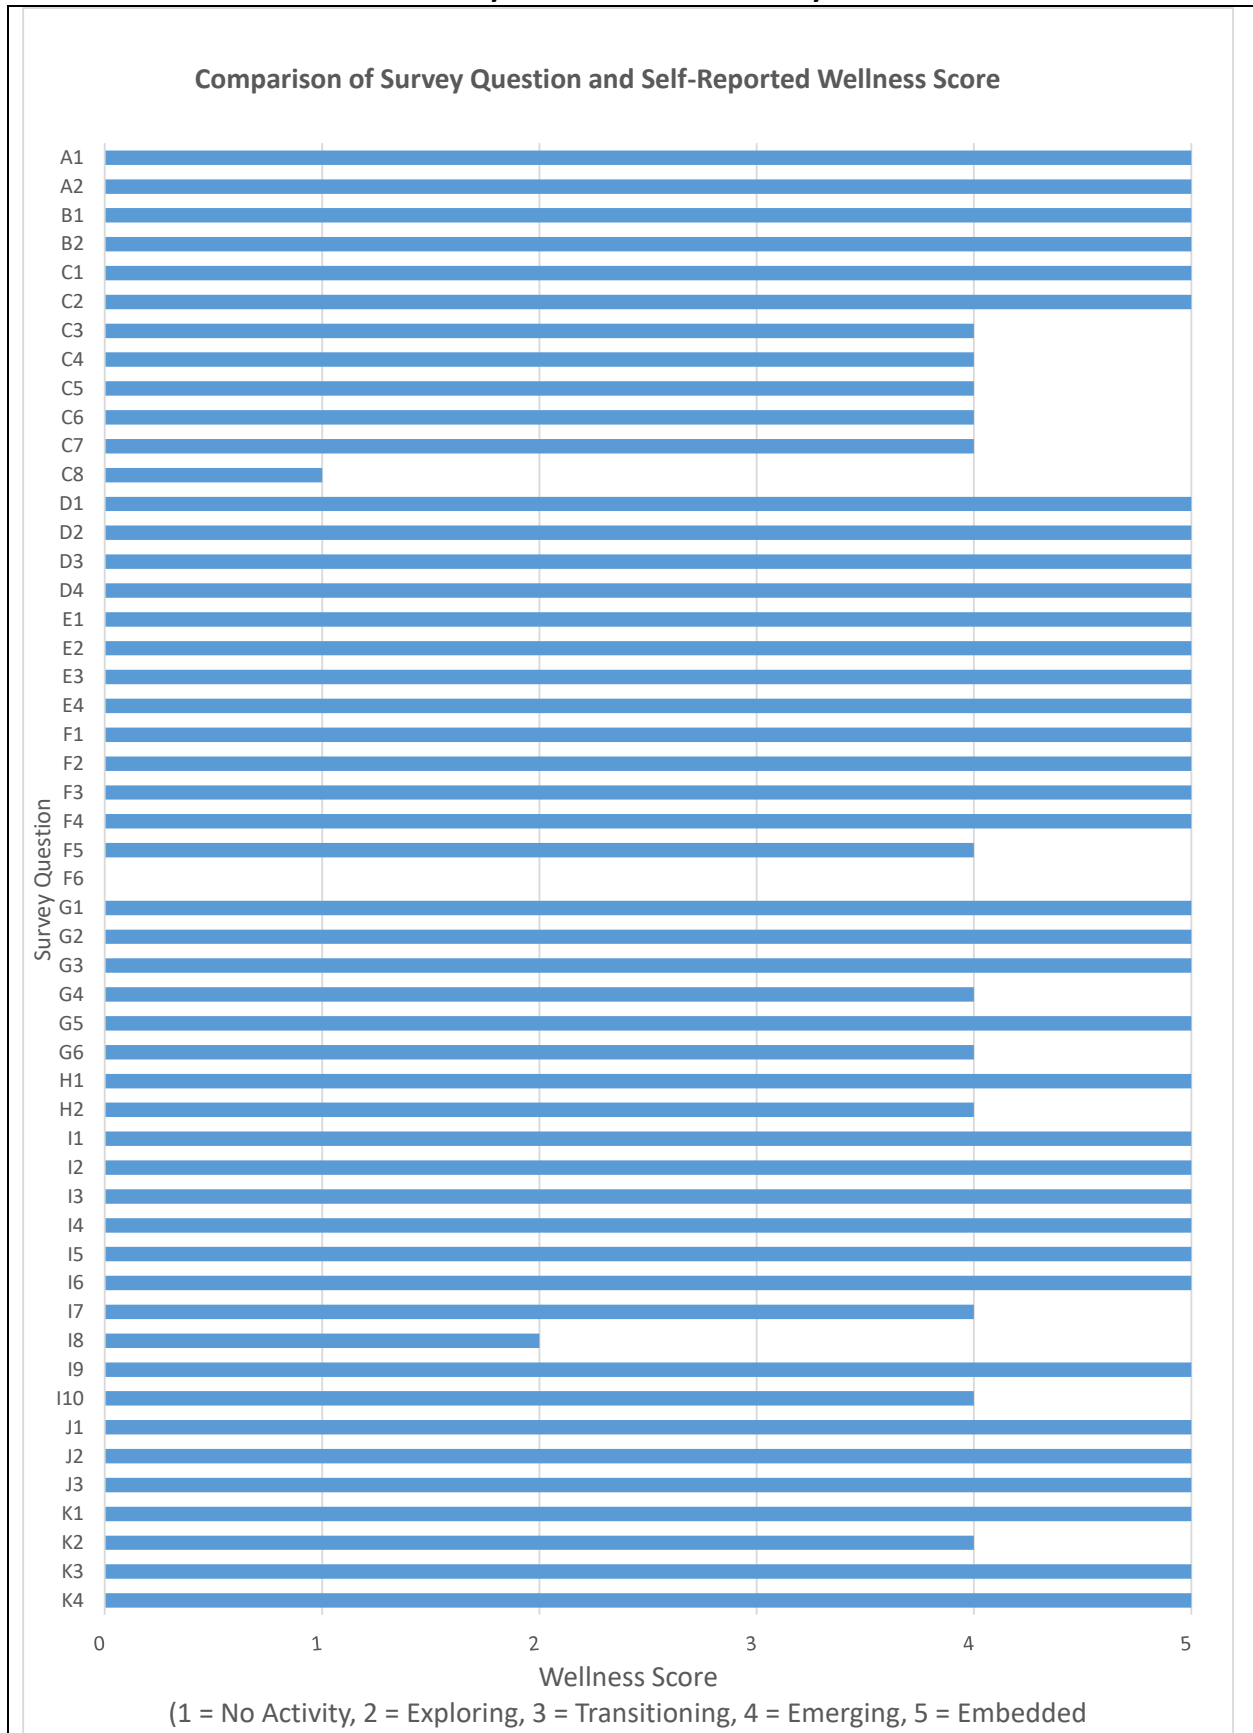

### Summary Tables:

The following graph and table visually summarize your school’s responses provided above. Questions in the graph are represented by bars corresponding to the self-reported wellness score. Questions in the table are grouped together according to their self-reported wellness score (e.g., all questions recorded as “embedded” are grouped together, etc.).

\*Note: Questions are abbreviated by their section and number. Please refer to the report for the question full text.

- C8: Substance Abuse Prevention. Exploring

### Section D – Health Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- D1: FCPS' protocols with respect to student disclosure and display of concerning behaviors, such as harm to self or others.	Emerging
- D2: Students have regular access to public health nurses to address health, safety, and psychological issues.	Emerging
- D3: Required staff in our school maintain requisite levels of training in emergency first aid, CPR, and AED per the Code of Virginia.	Embedded
- D4: Required staff in our school maintain requisite levels of training in medication administration per FCPS Regulation 2102.	Embedded

### Section E – Healthy and Safe School Environment

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- E1: Encourages children to safely walk or bike to and from school.	Emerging
- E2: Promotes age-appropriate mentorships as a way to help students develop strong, safe, and trusted relationships with respected adults.	Emerging
- E3: School buildings, grounds, structures, vehicles (if applicable), and equipment are maintained in accordance with FCPS Policy 8560.	Embedded
- E4: Maintains a comprehensive tobacco-free policy in accordance with FCPS' Policy 4419 and Regulation 2152.	No Activity

Question: Please share any school or community specific barriers to promoting a healthy and safe school environment for students.

- "We remind students and parents about safety when students arrive or leave each day (to and from school). To make sure students don't get hurt, etc., when coming and going each day."

### Section F – School Counseling, School Psychology, and School Social Work Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- F1: Monitors school climate and other factors that may contribute to student stress, symptoms of anxiety and depression, and peer and academic pressures and substance use.	Exploring

# 2021-2022 School Wellness Survey Responses

## Hunt Valley Elementary

- F2: Our staff has received required suicide prevention training, as well as training that includes recognition of, and response to, mental and behavioral health needs. Exploring
- F3: Implements programs that foster social and emotional health and wellness of students and staff. Transitioning
- F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments. Exploring
- F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance. Exploring
- F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance. Not a Middle/High School

### Section G – Health Promotion for Staff Members

Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being: Response

- G1: Health screenings. No Activity
- G2: Health care access. No Activity
- G3: Employee flu immunization clinics. Embedded
- G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance. Transitioning
- G5: Awareness of the Employee Assistance Program Services. Emerging
- G6: Staff celebrations that offer and encourage healthy choices for food and beverages. Embedded

### Section H – Family and Community Involvement

Question: To what extent does your school implement the following practices: Response

- H1: Established a wellness committee to implement activities that support the wellness policy. Transitioning
- H2: Includes a non-staff, family, or community member in our school's wellness committee. Exploring

# 2021-2022 School Wellness Survey Responses

## Hunt Valley Elementary

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

- “We are transitioning to having a Wellness Committee that encourages more involvement.”

### Section I – Food and Nutrition General

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	No Activity
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Embedded
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	Exploring
- I9: Allows students to possess personal containers for drinking water.	Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	Embedded

### Section J – Nutrition Education, Promotion, and Food Marketing

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- J1: Only food and beverages that meet the “Smart Snacks” standards are marketed to students on school grounds during the school day.	Exploring
- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day.	Embedded

# 2021-2022 School Wellness Survey Responses

### Section I – Food and Nutrition General

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Embedded
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	No Activity
- I9: Allows students to possess personal containers for drinking water.	Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	Embedded

### Section J – Nutrition Education, Promotion, and Food Marketing

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- J1: Only food and beverages that meet the “Smart Snacks” standards are marketed to students on school grounds during the school day.	Embedded
- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day.	Embedded
- J3: We follow FCPS’ policy on fundraisers as outlined in R2100.	Embedded

### Section K – Nutritional Guidelines

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
---	-----------------

# 2021-2022 School Wellness Survey Responses

## Kings Glen Elementary

- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day. Embedded
- K2: Healthy food and beverage options are encouraged at school-related events outside the school day. Embedded
- K3: Implements appropriate precautions against severe food allergies. Embedded
- K4: We follow all nutrition guidelines for food and beverage standards, as outlined in FCPS P2100 and R2100. Embedded

### Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- “No Response”

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- “No Response”

Question: Please provide any questions or comments you have with regard to FCPS’ Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

- “No Response”

### Summary Tables:

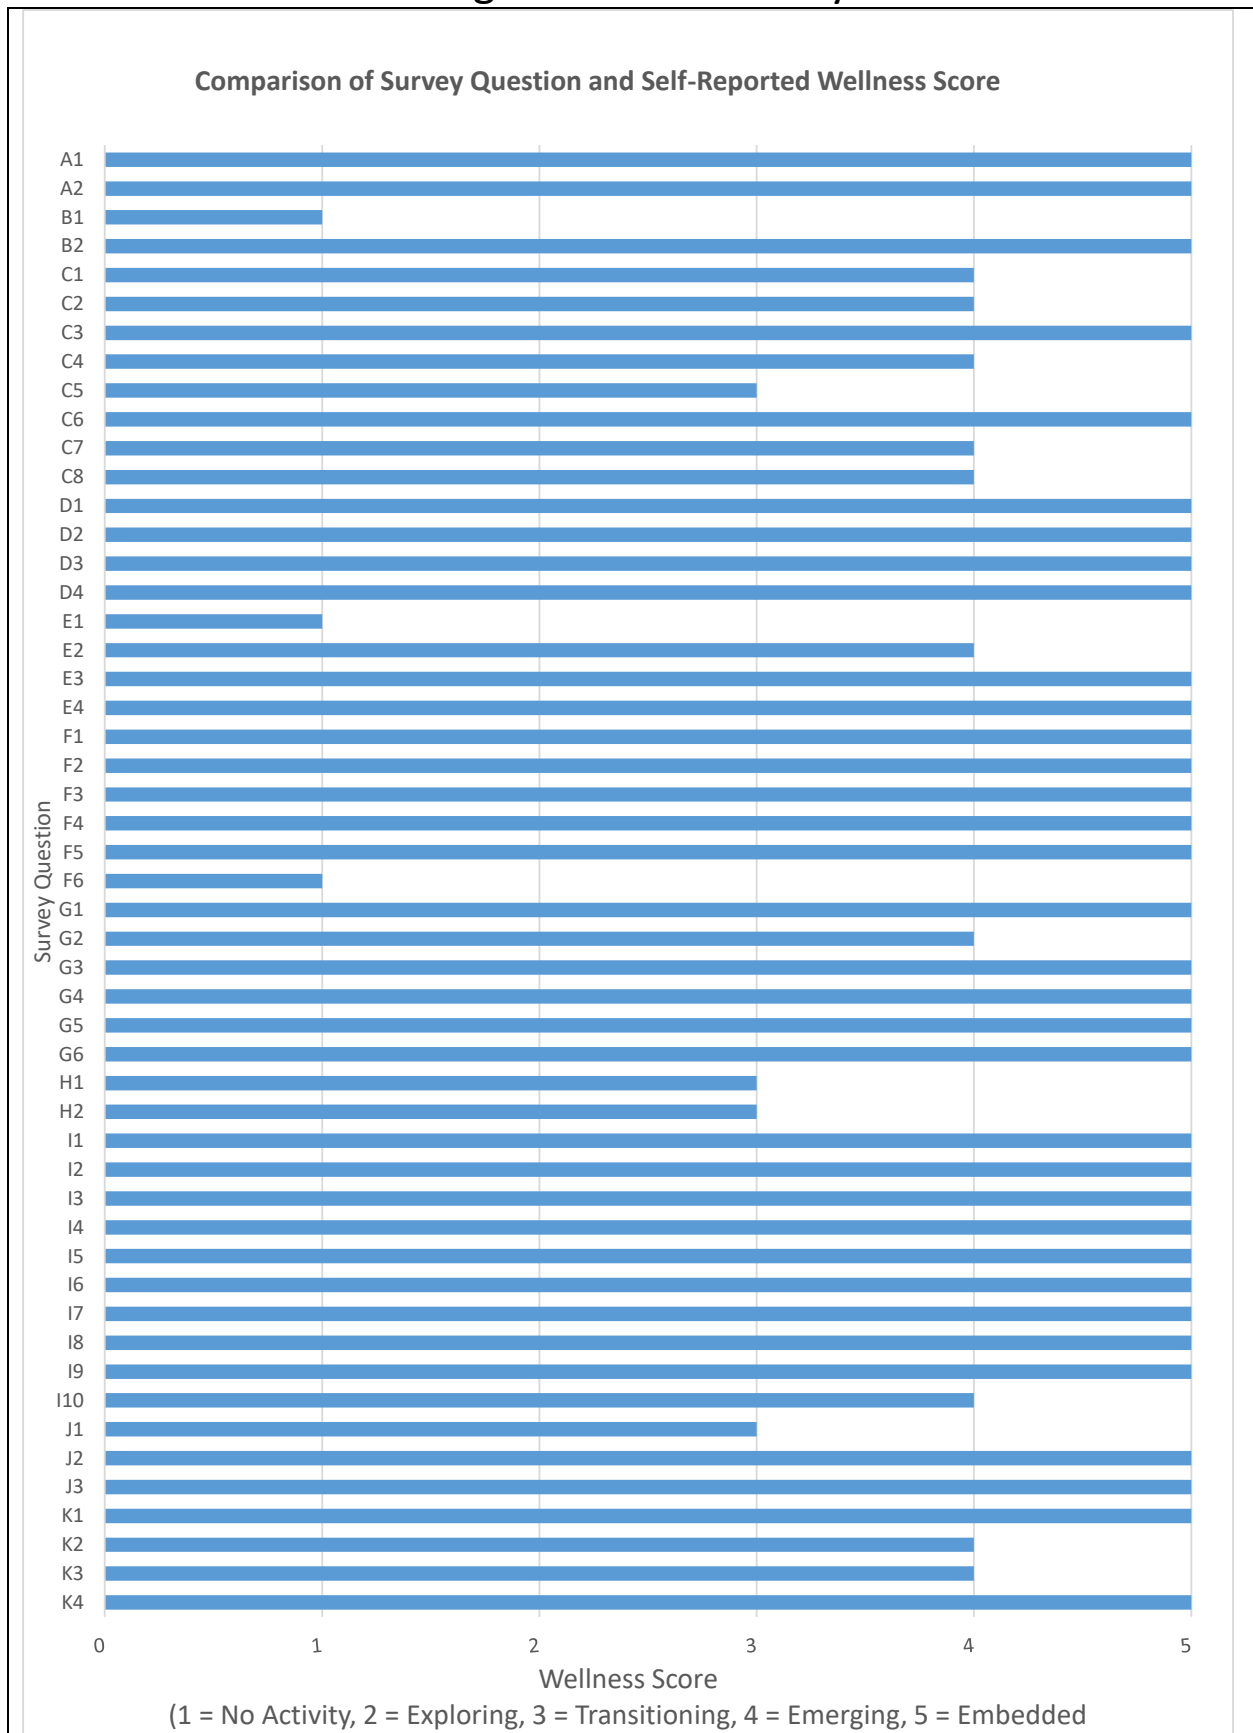

The following graph and table visually summarize your school’s responses provided above. Questions in the graph are represented by bars corresponding to the self-reported wellness score. Questions in the table are grouped together according to their self-reported wellness score (e.g., all questions recorded as “embedded” are grouped together, etc.).

\*Note: Questions are abbreviated by their section and number. Please refer to the report for the question full text.
