2021-2022 School Wellness Survey Responses

Lake Anne Elementary

Section A – Physical Education

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- A1: Physical education classes provide students with the minimum time-requirements under FCPS Regulation 3218.	Embedded
- A2: At least 50 percent of physical education class-time includes moderate to vigorous physical activity.	Emerging

Section B – Physical Activity

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- B1: Withholding recess or physical education is not used as a disciplinary action.	Embedded
- B2: ELEMENTARY SCHOOLS ONLY: On average, our school provides a minimum of 15 minutes per day of supervised recess.	Embedded

Question: Please highlight any activities or best practices used to promote student's physical activity.

- "Students have 2 60 minute PE blocks per week. They also have 2 15 minute recesses."

Section C – Health Education

<u>Question: To what extent does your school effectively impart the following topics in FCPS's health education curriculum:</u>	<u>Response</u>
- C1: Promoting Healthy Lifestyles.	Emerging
- C2: Stress Management.	Emerging
- C3: Coping Skills.	Transitioning
- C4: Depression.	Transitioning
- C5: Suicide Prevention and Awareness.	Transitioning
- C6: Mental Health Issues (general).	Emerging
- C7: Relationship of Healthy Sleep to Mental Health.	Transitioning
- C8: Substance Abuse Prevention.	Transitioning

2021-2022 School Wellness Survey Responses

Lake Anne Elementary

Section D – Health Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- D1: FCPS' protocols with respect to student disclosure and display of concerning behaviors, such as harm to self or others.	Emerging
- D2: Students have regular access to public health nurses to address health, safety, and psychological issues.	Embedded
- D3: Required staff in our school maintain requisite levels of training in emergency first aid, CPR, and AED per the Code of Virginia.	Embedded
- D4: Required staff in our school maintain requisite levels of training in medication administration per FCPS Regulation 2102.	Embedded

Section E – Healthy and Safe School Environment

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- E1: Encourages children to safely walk or bike to and from school.	Emerging
- E2: Promotes age-appropriate mentorships as a way to help students develop strong, safe, and trusted relationships with respected adults.	Emerging
- E3: School buildings, grounds, structures, vehicles (if applicable), and equipment are maintained in accordance with FCPS Policy 8560.	Embedded
- E4: Maintains a comprehensive tobacco-free policy in accordance with FCPS' Policy 4419 and Regulation 2152.	Embedded

Question: Please share any school or community specific barriers to promoting a healthy and safe school environment for students.

- "none"

Section F – School Counseling, School Psychology, and School Social Work Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- F1: Monitors school climate and other factors that may contribute to student stress, symptoms of anxiety and depression, and peer and academic pressures and substance use.	Embedded
- F2: Our staff has received required suicide prevention training, as well as training that includes recognition of, and response to, mental and behavioral health needs.	Embedded

2021-2022 School Wellness Survey Responses

Lake Anne Elementary

- F3: Implements programs that foster social and emotional health and wellness of students and staff. Emerging
- F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments. Embedded
- F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance. Emerging
- F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance. Not a Middle/High School

Section G – Health Promotion for Staff Members

Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being:

Response

- G1: Health screenings. Exploring
- G2: Health care access. Exploring
- G3: Employee flu immunization clinics. Embedded
- G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance. Transitioning
- G5: Awareness of the Employee Assistance Program Services. Transitioning
- G6: Staff celebrations that offer and encourage healthy choices for food and beverages. Transitioning

Section H – Family and Community Involvement

Question: To what extent does your school implement the following practices:

Response

- H1: Established a wellness committee to implement activities that support the wellness policy. Emerging
- H2: Includes a non-staff, family, or community member in our school's wellness committee. No Activity

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

2021-2022 School Wellness Survey Responses

Lake Anne Elementary

- “Families participate in walk and roll to school days almost monthly. ”

Section I – Food and Nutrition General

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Embedded
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	Embedded
- I9: Allows students to possess personal containers for drinking water.	Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	Embedded

Section J – Nutrition Education, Promotion, and Food Marketing

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- J1: Only food and beverages that meet the “Smart Snacks” standards are marketed to students on school grounds during the school day.	Emerging
- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day.	No Activity
- J3: We follow FCPS’ policy on fundraisers as outlined in R2100.	Embedded

Section K – Nutritional Guidelines

2021-2022 School Wellness Survey Responses

Lake Anne Elementary

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day.	Embedded
- K2: Healthy food and beverage options are encouraged at school-related events outside the school day.	Embedded
- K3: Implements appropriate precautions against severe food allergies.	Embedded
- K4: We follow all nutrition guidelines for food and beverage standards, as outlined in FCPS P2100 and R2100.	Embedded

Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- “FCPS wellness competitions, staff basketball game vs other school, Dolphin Dash, Girls on the Run, flu shot clinic.”

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- “No Response”

Question: Please provide any questions or comments you have with regard to FCPS’ Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

- “No Response”

Summary Tables:

The following graph and table visually summarize your school’s responses provided above. Questions in the graph are represented by bars corresponding to the self-reported wellness score. Questions in the table are grouped together according to their self-reported wellness score (e.g., all questions recorded as “embedded” are grouped together, etc.).

*Note: Questions are abbreviated by their section and number. Please refer to the report for the question full text.

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Embedded
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	Exploring
- I9: Allows students to possess personal containers for drinking water.	Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	Embedded

Section J – Nutrition Education, Promotion, and Food Marketing

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- J1: Only food and beverages that meet the “Smart Snacks” standards are marketed to students on school grounds during the school day.	Embedded
- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day.	Embedded
- J3: We follow FCPS’ policy on fundraisers as outlined in R2100.	Embedded

2021-2022 School Wellness Survey Responses

Laurel Ridge Elementary

Section K – Nutritional Guidelines

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day.	Embedded
- K2: Healthy food and beverage options are encouraged at school-related events outside the school day.	Embedded
- K3: Implements appropriate precautions against severe food allergies.	Embedded
- K4: We follow all nutrition guidelines for food and beverage standards, as outlined in FCPS P2100 and R2100.	Embedded

Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- “We participated in WEAR RED day as an entire staff. We also had "Movement Monday" for staff to walk close to 2 miles before school with the incentive of wearing workout clothes to school. We did weekly staff shout-outs where staff members recognized each other for the great things they were doing. As mentioned before, the 5K family fun run was a real community builder after COVID kept us apart for so long.”

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- “We tried to get community volunteers to donate some items (Great Harvest Bread Company) and/or come to do free massages and did not have any luck. Maybe a list of willing community members would be helpful?”

Question: Please provide any questions or comments you have with regard to FCPS’ Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

- “No Response”

Summary Tables:

The following graph and table visually summarize your school’s responses provided above. Questions in the graph are represented by bars corresponding to the self-reported wellness score. Questions in the table are grouped together according to their self-reported wellness score (e.g., all questions recorded as “embedded” are grouped together, etc.).

*Note: Questions are abbreviated by their section and number. Please refer to the report for the question full text.

Section D – Health Services

2021-2022 School Wellness Survey Responses

London Towne Elementary

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- D1: FCPS' protocols with respect to student disclosure and display of concerning behaviors, such as harm to self or others.	Embedded
- D2: Students have regular access to public health nurses to address health, safety, and psychological issues.	Embedded
- D3: Required staff in our school maintain requisite levels of training in emergency first aid, CPR, and AED per the Code of Virginia.	Embedded
- D4: Required staff in our school maintain requisite levels of training in medication administration per FCPS Regulation 2102.	Embedded

Section E – Healthy and Safe School Environment

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- E1: Encourages children to safely walk or bike to and from school.	Embedded
- E2: Promotes age-appropriate mentorships as a way to help students develop strong, safe, and trusted relationships with respected adults.	Embedded
- E3: School buildings, grounds, structures, vehicles (if applicable), and equipment are maintained in accordance with FCPS Policy 8560.	Embedded
- E4: Maintains a comprehensive tobacco-free policy in accordance with FCPS' Policy 4419 and Regulation 2152.	Embedded

Question: Please share any school or community specific barriers to promoting a healthy and safe school environment for students.

- "none"

Section F – School Counseling, School Psychology, and School Social Work Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- F1: Monitors school climate and other factors that may contribute to student stress, symptoms of anxiety and depression, and peer and academic pressures and substance use.	Embedded
- F2: Our staff has received required suicide prevention training, as well as training that includes recognition of, and response to, mental and behavioral health needs.	Embedded
- F3: Implements programs that foster social and emotional health and wellness of students and staff.	Embedded

2021-2022 School Wellness Survey Responses

London Towne Elementary

- F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments. Embedded
- F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance. Embedded
- F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance. Not a Middle/High School

Section G – Health Promotion for Staff Members

Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being:

Response

- G1: Health screenings. Embedded
- G2: Health care access. Emerging
- G3: Employee flu immunization clinics. Embedded
- G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance. Emerging
- G5: Awareness of the Employee Assistance Program Services. Embedded
- G6: Staff celebrations that offer and encourage healthy choices for food and beverages. Embedded

Section H – Family and Community Involvement

Question: To what extent does your school implement the following practices:

Response

- H1: Established a wellness committee to implement activities that support the wellness policy. Emerging
- H2: Includes a non-staff, family, or community member in our school's wellness committee. Exploring

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

- "none"

2021-2022 School Wellness Survey Responses

London Towne Elementary

Section I – Food and Nutrition General

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Embedded
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	Transitioning
- I9: Allows students to possess personal containers for drinking water.	Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	Embedded

Section J – Nutrition Education, Promotion, and Food Marketing

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- J1: Only food and beverages that meet the “Smart Snacks” standards are marketed to students on school grounds during the school day.	Embedded
- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day.	Embedded
- J3: We follow FCPS’ policy on fundraisers as outlined in R2100.	Embedded

Section K – Nutritional Guidelines

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
---	-----------------

2021-2022 School Wellness Survey Responses

London Towne Elementary

- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day. Embedded
- K2: Healthy food and beverage options are encouraged at school-related events outside the school day. Embedded
- K3: Implements appropriate precautions against severe food allergies. Embedded
- K4: We follow all nutrition guidelines for food and beverage standards, as outlined in FCPS P2100 and R2100. Embedded

Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- “No Response”

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- “No Response”

Question: Please provide any questions or comments you have with regard to FCPS’ Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

- “No Response”

Summary Tables:

The following graph and table visually summarize your school’s responses provided above. Questions in the graph are represented by bars corresponding to the self-reported wellness score. Questions in the table are grouped together according to their self-reported wellness score (e.g., all questions recorded as “embedded” are grouped together, etc.).

- A1: Physical education classes provide students with the minimum time-requirements under FCPS Regulation 3218.	Embedded
- A2: At least 50 percent of physical education class-time includes moderate to vigorous physical activity.	Embedded

Section B – Physical Activity

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- B1: Withholding recess or physical education is not used as a disciplinary action.	Embedded
- B2: ELEMENTARY SCHOOLS ONLY: On average, our school provides a minimum of 15 minutes per day of supervised recess.	Embedded

Question: Please highlight any activities or best practices used to promote student's physical activity.

- "School moto: building strong minds, body, character. Yearly Runathon, before school running club, before school fitness club, yoga in the classrooms, wellness Wednesdays."

Section C – Health Education

<u>Question: To what extent does your school effectively impart the following topics in FCPS's health education curriculum:</u>	<u>Response</u>
- C1: Promoting Healthy Lifestyles.	Embedded
- C2: Stress Management.	Embedded
- C3: Coping Skills.	Embedded
- C4: Depression.	Embedded
- C5: Suicide Prevention and Awareness.	Transitioning
- C6: Mental Health Issues (general).	Embedded
- C7: Relationship of Healthy Sleep to Mental Health.	Transitioning

2021-2022 School Wellness Survey Responses

Marshall Road Elementary

- C8: Substance Abuse Prevention. Embedded

Section D – Health Services

Question: To what extent does your school implement the following practices: Response

- D1: FCPS' protocols with respect to student disclosure and display of concerning behaviors, such as harm to self or others. Embedded
- D2: Students have regular access to public health nurses to address health, safety, and psychological issues. Exploring
- D3: Required staff in our school maintain requisite levels of training in emergency first aid, CPR, and AED per the Code of Virginia. Embedded
- D4: Required staff in our school maintain requisite levels of training in medication administration per FCPS Regulation 2102. Embedded

Section E – Healthy and Safe School Environment

Question: To what extent does your school implement the following practices: Response

- E1: Encourages children to safely walk or bike to and from school. Embedded
- E2: Promotes age-appropriate mentorships as a way to help students develop strong, safe, and trusted relationships with respected adults. Embedded
- E3: School buildings, grounds, structures, vehicles (if applicable), and equipment are maintained in accordance with FCPS Policy 8560. Embedded
- E4: Maintains a comprehensive tobacco-free policy in accordance with FCPS' Policy 4419 and Regulation 2152. Embedded

Question: Please share any school or community specific barriers to promoting a healthy and safe school environment for students.

- "none"

Section F – School Counseling, School Psychology, and School Social Work Services

Question: To what extent does your school implement the following practices: Response

- F1: Monitors school climate and other factors that may contribute to student stress, symptoms of anxiety and depression, and peer and academic pressures and substance use. Embedded

2021-2022 School Wellness Survey Responses

Marshall Road Elementary

- F2: Our staff has received required suicide prevention training, as well as training that includes recognition of, and response to, mental and behavioral health needs. Embedded
- F3: Implements programs that foster social and emotional health and wellness of students and staff. Embedded
- F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments. Embedded
- F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance. Embedded
- F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance. Not a Middle/High School

Section G – Health Promotion for Staff Members

Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being: Response

- G1: Health screenings. Embedded
- G2: Health care access. Embedded
- G3: Employee flu immunization clinics. Embedded
- G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance. Embedded
- G5: Awareness of the Employee Assistance Program Services. Embedded
- G6: Staff celebrations that offer and encourage healthy choices for food and beverages. Embedded

Section H – Family and Community Involvement

Question: To what extent does your school implement the following practices: Response

- H1: Established a wellness committee to implement activities that support the wellness policy. Emerging
- H2: Includes a non-staff, family, or community member in our school's wellness committee. Emerging

2021-2022 School Wellness Survey Responses

Marshall Road Elementary

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

- "Annual runathon, parent / teacher run running club and fitness club. Yoga as a before school club run by parents."

Section I – Food and Nutrition General

Question: To what extent does your school implement the following practices:

	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Embedded
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	Exploring
- I9: Allows students to possess personal containers for drinking water.	Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	Embedded

Section J – Nutrition Education, Promotion, and Food Marketing

Question: To what extent does your school implement the following practices:

	<u>Response</u>
- J1: Only food and beverages that meet the "Smart Snacks" standards are marketed to students on school grounds during the school day.	Transitioning
	Embedded
- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day.	

2021-2022 School Wellness Survey Responses

Marshall Road Elementary

- J3: We follow FCPS' policy on fundraisers as outlined in R2100. Embedded

Section K – Nutritional Guidelines

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day.	Embedded
- K2: Healthy food and beverage options are encouraged at school-related events outside the school day.	Embedded
- K3: Implements appropriate precautions against severe food allergies.	Embedded
- K4: We follow all nutrition guidelines for food and beverage standards, as outlined in FCPS P2100 and R2100.	Embedded

Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- "Runathon, Bike Train, Wellness Wednesdays"

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- "All FCPS schools should be totally nut free. Elementary schools should be staffed with recess monitors."

Question: Please provide any questions or comments you have with regard to FCPS' Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

- "No Response"

Summary Tables:

The following graph and table visually summarize your school's responses provided above. Questions in the graph are represented by bars corresponding to the self-reported wellness score. Questions in the table are grouped together according to their self-reported wellness score (e.g., all questions recorded as "embedded" are grouped together, etc.).

- F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments. Embedded
- F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance. Embedded
- F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance. Not a Middle/High School

Section G – Health Promotion for Staff Members

Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being:

Response

- G1: Health screenings. Emerging
- G2: Health care access. Embedded
- G3: Employee flu immunization clinics. Emerging
- G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance. Emerging
- G5: Awareness of the Employee Assistance Program Services. Embedded
- G6: Staff celebrations that offer and encourage healthy choices for food and beverages. Embedded

Section H – Family and Community Involvement

Question: To what extent does your school implement the following practices:

Response

- H1: Established a wellness committee to implement activities that support the wellness policy. Emerging
- H2: Includes a non-staff, family, or community member in our school's wellness committee. Transitioning

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

2021-2022 School Wellness Survey Responses

Navy Elementary

- “none”

Section I – Food and Nutrition General

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Embedded
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	Embedded
- I9: Allows students to possess personal containers for drinking water.	Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	Exploring

Section J – Nutrition Education, Promotion, and Food Marketing

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- J1: Only food and beverages that meet the “Smart Snacks” standards are marketed to students on school grounds during the school day.	Emerging
- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day.	Embedded
- J3: We follow FCPS’ policy on fundraisers as outlined in R2100.	Embedded

Section K – Nutritional Guidelines

2021-2022 School Wellness Survey Responses

Navy Elementary

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day.	Embedded
- K2: Healthy food and beverage options are encouraged at school-related events outside the school day.	Emerging
- K3: Implements appropriate precautions against severe food allergies.	Embedded
- K4: We follow all nutrition guidelines for food and beverage standards, as outlined in FCPS P2100 and R2100.	Embedded

Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- “Run Club, Fitness Club, Bike to School Day”

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- “Fitness Rooms for Elementary Schools”

Question: Please provide any questions or comments you have with regard to FCPS’ Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

- “Was trying to buy exercise equipment for a Wellness/Fitness Room using ESSER funds. It was denied. We will explore using PTO funds in the future.”

Summary Tables:

The following graph and table visually summarize your school’s responses provided above. Questions in the graph are represented by bars corresponding to the self-reported wellness score. Questions in the table are grouped together according to their self-reported wellness score (e.g., all questions recorded as “embedded” are grouped together, etc.).

*Note: Questions are abbreviated by their section and number. Please refer to the report for the question full text.

| - G6: Staff celebrations that offer and encourage healthy choices for food and beverages. | Embedded |

Section H – Family and Community Involvement

Question: To what extent does your school implement the following practices:

Response

- | | |
|--|-------------|
| - H1: Established a wellness committee to implement activities that support the wellness policy. | Embedded |
| - H2: Includes a non-staff, family, or community member in our school's wellness committee. | No Activity |

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

2021-2022 School Wellness Survey Responses

Rolling Valley Elementary

- "none"

Section I – Food and Nutrition General

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	No Activity
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	No Activity
- I9: Allows students to possess personal containers for drinking water.	Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	Embedded

Section J – Nutrition Education, Promotion, and Food Marketing

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- J1: Only food and beverages that meet the "Smart Snacks" standards are marketed to students on school grounds during the school day.	Embedded
- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day.	Embedded
- J3: We follow FCPS' policy on fundraisers as outlined in R2100.	Embedded

Section K – Nutritional Guidelines

2021-2022 School Wellness Survey Responses

Rolling Valley Elementary

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day.	Embedded
- K2: Healthy food and beverage options are encouraged at school-related events outside the school day.	Embedded
- K3: Implements appropriate precautions against severe food allergies.	Embedded
- K4: We follow all nutrition guidelines for food and beverage standards, as outlined in FCPS P2100 and R2100.	Embedded

Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- “Fun Run, Girls on the Run, Run Fit Kidz, Rocky's Club”

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- “No Response”

Question: Please provide any questions or comments you have with regard to FCPS’ Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

- “No Response”

Summary Tables:

The following graph and table visually summarize your school’s responses provided above. Questions in the graph are represented by bars corresponding to the self-reported wellness score. Questions in the table are grouped together according to their self-reported wellness score (e.g., all questions recorded as “embedded” are grouped together, etc.).

*Note: Questions are abbreviated by their section and number. Please refer to the report for the question full text.

2021-2022 School Wellness Survey Responses

Rolling Valley Elementary

2021-2022 School Wellness Survey Responses

Rose Hill Elementary

Section A – Physical Education

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- A1: Physical education classes provide students with the minimum time-requirements under FCPS Regulation 3218.	Embedded
- A2: At least 50 percent of physical education class-time includes moderate to vigorous physical activity.	Embedded

Section B – Physical Activity

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- B1: Withholding recess or physical education is not used as a disciplinary action.	Emerging
- B2: ELEMENTARY SCHOOLS ONLY: On average, our school provides a minimum of 15 minutes per day of supervised recess.	Embedded

Question: Please highlight any activities or best practices used to promote student's physical activity.

- "We have a 30 minute daily recess. Our PE teachers maximize movement during lessons. Our PE team wrote a grant to have bicycles for students in grades 5-6 to access. They encourage students to ride outside of school hours."

Section C – Health Education

<u>Question: To what extent does your school effectively impart the following topics in FCPS's health education curriculum:</u>	<u>Response</u>
- C1: Promoting Healthy Lifestyles.	Emerging
- C2: Stress Management.	Transitioning
- C3: Coping Skills.	Emerging
- C4: Depression.	Transitioning
- C5: Suicide Prevention and Awareness.	Emerging
- C6: Mental Health Issues (general).	Emerging
- C7: Relationship of Healthy Sleep to Mental Health.	Transitioning

2021-2022 School Wellness Survey Responses

Rose Hill Elementary

- C8: Substance Abuse Prevention. Transitioning

Section D – Health Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- D1: FCPS’ protocols with respect to student disclosure and display of concerning behaviors, such as harm to self or others.	Embedded
- D2: Students have regular access to public health nurses to address health, safety, and psychological issues.	Embedded
- D3: Required staff in our school maintain requisite levels of training in emergency first aid, CPR, and AED per the Code of Virginia.	Embedded
- D4: Required staff in our school maintain requisite levels of training in medication administration per FCPS Regulation 2102.	Embedded

Section E – Healthy and Safe School Environment

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- E1: Encourages children to safely walk or bike to and from school.	Embedded
- E2: Promotes age-appropriate mentorships as a way to help students develop strong, safe, and trusted relationships with respected adults.	Embedded
- E3: School buildings, grounds, structures, vehicles (if applicable), and equipment are maintained in accordance with FCPS Policy 8560.	Embedded
- E4: Maintains a comprehensive tobacco-free policy in accordance with FCPS’ Policy 4419 and Regulation 2152.	Embedded

Question: Please share any school or community specific barriers to promoting a healthy and safe school environment for students.

- “Our recess/playground equipment is not accessible for all students. An adaptive playground would meet the needs of all of our students.”

Section F – School Counseling, School Psychology, and School Social Work Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- F1: Monitors school climate and other factors that may contribute to student stress, symptoms of anxiety and depression, and peer and academic pressures and substance use.	Emerging

2021-2022 School Wellness Survey Responses

Rose Hill Elementary

- | | |
|---|--------------------------|
| - F2: Our staff has received required suicide prevention training, as well as training that includes recognition of, and response to, mental and behavioral health needs. | Embedded |
| - F3: Implements programs that foster social and emotional health and wellness of students and staff. | Emerging |
| - F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments. | Embedded |
| - F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance. | No Activity |
| - F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance. | Not a Middle/High School |

Section G – Health Promotion for Staff Members

Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being: Response

- | | |
|---|-----------|
| - G1: Health screenings. | Embedded |
| - G2: Health care access. | Embedded |
| - G3: Employee flu immunization clinics. | Embedded |
| - G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance. | Exploring |
