RE: Underage student taking adult education classes

This is to give permission for my child _____ to take the following course:

Course # _____ Section # _____.

I understand that this is an **adult** education class and take full responsibility for my child's behavior and safety while on the school grounds. I will not hold Fairfax County Public Schools liable while she/he is participating in this class. I understand there is no refund of tuition if we decide not to participate once the class has begun.
