

Calling All FCPS Student Artists and Designers: Observance Design Challenge

Show your creativity and design a graphic or artwork to represent an observance* recognized on the FCPS school year calendar. Selected designs will be featured on FCPS social media during the 2023-24 school year!

- “Observances” include all 22 religious holidays (such as Christmas, Ramadan, and Yom Kippur) indicated on the FCPS school calendar for 2023-24. Students may also choose to submit a design for Thanksgiving. See the challenge guidelines webpage (listed below) for a full list of all observances and design rules.
- The design challenge is open to any FCPS student enrolled in a middle school, secondary school, or high school, and FCPS students in alternative schools aged 12 and older.
- Students have the option of submitting artwork/designs independently, or as part of a group.
- **Submissions must be submitted digitally by June 11, 2023 at 11:59 p.m. Eastern Time.**
