Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- “We are in the process of developing an outdoor classroom for all students to use. We have several wellness small groups established based on our SEL screener student data. We have had multiple after school clubs to target our most at-risk subgroups. We have also celebrated and showered our staff with recognition and gifts throughout the school year to promote a positive staff morale. ”

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- “There needs to be a better or supplementary way to check in on our students other than the SEL screener. The SEL screener is not accessible to all students and they do not feel comfortable when completing it which skews the data. A suggestion might be to hold private, anonymous ways for students to share their thinking freely. ”
