2022-2023 School Wellness Survey Responses

Carson Middle

Section A – Physical Education

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- A1: Physical education classes provide students with the minimum time-requirements under FCPS Regulation 3218.	Embedded
- A2: At least 50 percent of physical education class-time includes moderate to vigorous physical activity.	Embedded

Section B – Physical Activity

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- B1: Withholding recess or physical education is not used as a disciplinary action.	Emerging
- B2: ELEMENTARY SCHOOLS ONLY: On average, our school provides a minimum of 15 minutes per day of supervised recess.	Not an Elementary School

Question: Please highlight any activities or best practices used to promote student's physical activity.

- "Focus on lifetime fitness in PE classes; students engage in regular monitoring of improved cardiovascular health by completing the pacer run, long distance running, circuit training; students engage in daily outdoor recess where movement is encouraged;"

Section C – Health Education

<u>Question: To what extent does your school effectively impart the following topics in FCPS's health education curriculum:</u>	<u>Response</u>
- C1: Promoting Healthy Lifestyles.	Embedded
- C2: Stress Management.	Emerging
- C3: Coping Skills.	Embedded
- C4: Depression.	Emerging
- C5: Suicide Prevention and Awareness.	Embedded
- C6: Mental Health Issues (general).	Embedded
- C7: Relationship of Healthy Sleep to Mental Health.	Emerging

2022-2023 School Wellness Survey Responses

Carson Middle

- C8: Substance Abuse Prevention. Embedded

Section D – Health Services

Question: To what extent does your school implement the following practices: Response

- D1: FCPS' protocols with respect to student disclosure and display of concerning behaviors, such as harm to self or others. Embedded
- D2: Students have regular access to public health nurses to address health, safety, and psychological issues. Emerging
- D3: Required staff in our school maintain requisite levels of training in emergency first aid, CPR, and AED per the Code of Virginia. Embedded
- D4: Required staff in our school maintain requisite levels of training in medication administration per FCPS Regulation 2102. Embedded

Section E – Healthy and Safe School Environment

Question: To what extent does your school implement the following practices: Response

- E1: Encourages children to safely walk or bike to and from school. No Activity
- E2: Promotes age-appropriate mentorships as a way to help students develop strong, safe, and trusted relationships with respected adults. Embedded
- E3: School buildings, grounds, structures, vehicles (if applicable), and equipment are maintained in accordance with FCPS Policy 8560. Embedded
- E4: Maintains a comprehensive tobacco-free policy in accordance with FCPS' Policy 4419 and Regulation 2152. Embedded

Question: Please share any school or community specific barriers to promoting a healthy and safe school environment for students.

- "Our public health nurse is only here on a part time basis (split between other schools). Students are allowed to walk or bike to school. We do not openly encourage these modes due to the location of our school (far from residential areas, situated near busy roads)."

2022-2023 School Wellness Survey Responses

Carson Middle

Section F – School Counseling, School Psychology, and School Social Work Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- F1: Monitors school climate and other factors that may contribute to student stress, symptoms of anxiety and depression, and peer and academic pressures and substance use.	Embedded
- F2: Our staff has received required suicide prevention training, as well as training that includes recognition of, and response to, mental and behavioral health needs.	Embedded
- F3: Implements programs that foster social and emotional health and wellness of students and staff.	Embedded
- F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments.	Embedded
- F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance.	Emerging
- F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance.	Embedded

Section G – Health Promotion for Staff Members

<u>Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being:</u>	<u>Response</u>
- G1: Health screenings.	Embedded
- G2: Health care access.	Emerging
- G3: Employee flu immunization clinics.	Embedded
- G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance.	Emerging
- G5: Awareness of the Employee Assistance Program Services.	Embedded
- G6: Staff celebrations that offer and encourage healthy choices for food and beverages.	Emerging

2022-2023 School Wellness Survey Responses

Carson Middle

Section H – Family and Community Involvement

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- H1: Established a wellness committee to implement activities that support the wellness policy.	Transitioning
- H2: Includes a non-staff, family, or community member in our school's wellness committee.	No Activity

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

- "This is an area for growth for our school. We do not have consistent collaboration with families on this matter. "

Section I – Food and Nutrition General

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Transitioning
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	No Activity

2022-2023 School Wellness Survey Responses

Carson Middle

- | | |
|---|--------------------------|
| - I9: Allows students to possess personal containers for drinking water. | Embedded |
| - I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible. | Not an Elementary School |

Section J – Nutrition Education, Promotion, and Food Marketing

Question: To what extent does your school implement the following practices: Response

- | | |
|---|----------|
| - J1: Only food and beverages that meet the “Smart Snacks” standards are marketed to students on school grounds during the school day. | Embedded |
| - J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day. | Embedded |
| - J3: We follow FCPS’ policy on fundraisers as outlined in R2100. | Embedded |

Section K – Nutritional Guidelines

Question: To what extent does your school implement the following practices: Response

- | | |
|--|-----------|
| - K1: Sodas and sports drinks are not offered for sale to students at any time during the school day. | Embedded |
| - K2: Healthy food and beverage options are encouraged at school-related events outside the school day. | Exploring |
| - K3: Implements appropriate precautions against severe food allergies. | Embedded |
| - K4: We follow all nutrition guidelines for food and beverage standards, as outlined in FCPS P2100 and R2100. | Embedded |

Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- “We conduct an annual wellness week through our Student Services dept. Students are provided with activities and information that center on positive physical activity and mental health resources. Our ongoing SEL lessons have a mental health focus. Students engage in discussions and activities where they explore and engage in positive health opportunities.”

2022-2023 School Wellness Survey Responses

Carson Middle

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- “Explore improving the diversity of lunch menu options and the further introduction of non-processed foods. ”

Question: Please provide any questions or comments you have with regard to FCPS’ Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

- “No Response

Summary Tables:

The following graph and table visually summarize your school’s responses provided above. Questions in the graph are represented by bars corresponding to the self-reported wellness score. Questions in the table are grouped together according to their self-reported wellness score (e.g., all questions recorded as “embedded” are grouped together, etc.).

*Note: Questions are abbreviated by their section and number. Please refer to the report for the question full text.

2022-2023 School Wellness Survey Responses

Frost Middle

- F1: Monitors school climate and other factors that may contribute to student stress, symptoms of anxiety and depression, and peer and academic pressures and substance use. Embedded
- F2: Our staff has received required suicide prevention training, as well as training that includes recognition of, and response to, mental and behavioral health needs. Embedded
- F3: Implements programs that foster social and emotional health and wellness of students and staff. Embedded
- F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments. Embedded
- F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance. Embedded
- F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance. Embedded

Section G – Health Promotion for Staff Members

Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being: Response

- G1: Health screenings. Embedded
- G2: Health care access. Embedded
- G3: Employee flu immunization clinics. Embedded
- G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance. Embedded
- G5: Awareness of the Employee Assistance Program Services. Embedded
- G6: Staff celebrations that offer and encourage healthy choices for food and beverages. Embedded

Section H – Family and Community Involvement

Question: To what extent does your school implement the following practices: Response

2022-2023 School Wellness Survey Responses

Frost Middle

- | | |
|--|---------------|
| - H1: Established a wellness committee to implement activities that support the wellness policy. | Transitioning |
| - H2: Includes a non-staff, family, or community member in our school's wellness committee. | Exploring |

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

- "None"

Section I – Food and Nutrition General

Question: To what extent does your school implement the following practices:

	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Embedded
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	Exploring
- I9: Allows students to possess personal containers for drinking water.	Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	Not an Elementary School

Section J – Nutrition Education, Promotion, and Food Marketing

2022-2023 School Wellness Survey Responses

Frost Middle

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- J1: Only food and beverages that meet the “Smart Snacks” standards are marketed to students on school grounds during the school day.	Embedded
- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day.	Embedded
- J3: We follow FCPS’ policy on fundraisers as outlined in R2100.	Embedded

Section K – Nutritional Guidelines

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day.	Embedded
- K2: Healthy food and beverage options are encouraged at school-related events outside the school day.	Embedded
- K3: Implements appropriate precautions against severe food allergies.	Embedded
- K4: We follow all nutrition guidelines for food and beverage standards, as outlined in FCPS P2100 and R2100.	Embedded

Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- “We had several teams participating in the last wellness challenge.
- We are planning to participate in the "Walk/Bike to Work" in May
- One of our PE teachers started a pickleball league that has been very popular - and a lot of fun!”

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- “No Response”

Question: Please provide any questions or comments you have with regard to FCPS’ Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

- “No Response

Section B – Physical Activity

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- B1: Withholding recess or physical education is not used as a disciplinary action.	No Activity
- B2: ELEMENTARY SCHOOLS ONLY: On average, our school provides a minimum of 15 minutes per day of supervised recess.	Not an Elementary School

Question: Please highlight any activities or best practices used to promote student's physical activity.

- "Ensure all lessons can be modified or accommodated to include access points for all students. "

Section C – Health Education

<u>Question: To what extent does your school effectively impart the following topics in FCPS's health education curriculum:</u>	<u>Response</u>
- C1: Promoting Healthy Lifestyles.	Embedded
- C2: Stress Management.	Embedded
- C3: Coping Skills.	Embedded
- C4: Depression.	Embedded
- C5: Suicide Prevention and Awareness.	Embedded
- C6: Mental Health Issues (general).	Embedded
- C7: Relationship of Healthy Sleep to Mental Health.	Embedded
- C8: Substance Abuse Prevention.	Embedded

2022-2023 School Wellness Survey Responses

Johnson MS

Section D – Health Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- D1: FCPS' protocols with respect to student disclosure and display of concerning behaviors, such as harm to self or others.	Embedded
- D2: Students have regular access to public health nurses to address health, safety, and psychological issues.	Embedded
- D3: Required staff in our school maintain requisite levels of training in emergency first aid, CPR, and AED per the Code of Virginia.	Embedded
- D4: Required staff in our school maintain requisite levels of training in medication administration per FCPS Regulation 2102.	Embedded

Section E – Healthy and Safe School Environment

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- E1: Encourages children to safely walk or bike to and from school.	Embedded
- E2: Promotes age-appropriate mentorships as a way to help students develop strong, safe, and trusted relationships with respected adults.	Embedded
- E3: School buildings, grounds, structures, vehicles (if applicable), and equipment are maintained in accordance with FCPS Policy 8560.	Embedded
- E4: Maintains a comprehensive tobacco-free policy in accordance with FCPS' Policy 4419 and Regulation 2152.	Embedded

Question: Please share any school or community specific barriers to promoting a healthy and safe school environment for students.

- "It would be nice to have vape detectors in student bathrooms."

Section F – School Counseling, School Psychology, and School Social Work Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
---	-----------------

2022-2023 School Wellness Survey Responses

Johnson MS

- | | |
|---|-------------|
| - F1: Monitors school climate and other factors that may contribute to student stress, symptoms of anxiety and depression, and peer and academic pressures and substance use. | Embedded |
| - F2: Our staff has received required suicide prevention training, as well as training that includes recognition of, and response to, mental and behavioral health needs. | Embedded |
| - F3: Implements programs that foster social and emotional health and wellness of students and staff. | Embedded |
| - F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments. | Embedded |
| - F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance. | Embedded |
| - F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance. | No Activity |

Section G – Health Promotion for Staff Members

Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being: Response

- | | |
|---|-----------|
| - G1: Health screenings. | Embedded |
| - G2: Health care access. | Exploring |
| - G3: Employee flu immunization clinics. | Embedded |
| - G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance. | Embedded |
| - G5: Awareness of the Employee Assistance Program Services. | Embedded |
| - G6: Staff celebrations that offer and encourage healthy choices for food and beverages. | Embedded |

Section H – Family and Community Involvement

Question: To what extent does your school implement the following practices: Response

2022-2023 School Wellness Survey Responses

Johnson MS

- H1: Established a wellness committee to implement activities that support the wellness policy. Embedded
- H2: Includes a non-staff, family, or community member in our school's wellness committee. Embedded

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

- "We have a Fairfax Pyramid SEL Family Night in April of 2023."

Section I – Food and Nutrition General

Question: To what extent does your school implement the following practices:

Response

- I1: All students have at least 20 minutes to eat after sitting down for lunch. Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food. Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities. Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals. Embedded
- I5: Encourages the use of non-food items for classroom celebrations. Embedded
- I6: Withholding access to food is not used as a disciplinary action. Embedded
- I7: Potable water is available to all our students at no cost. Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS). No Activity
- I9: Allows students to possess personal containers for drinking water. Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible. Not an Elementary School

Section J – Nutrition Education, Promotion, and Food Marketing

2022-2023 School Wellness Survey Responses

Johnson MS

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- J1: Only food and beverages that meet the “Smart Snacks” standards are marketed to students on school grounds during the school day.	Embedded
- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day.	Embedded
- J3: We follow FCPS’ policy on fundraisers as outlined in R2100.	Embedded

Section K – Nutritional Guidelines

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day.	Embedded
- K2: Healthy food and beverage options are encouraged at school-related events outside the school day.	Embedded
- K3: Implements appropriate precautions against severe food allergies.	Embedded
- K4: We follow all nutrition guidelines for food and beverage standards, as outlined in FCPS P2100 and R2100.	Embedded

Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- “Wellness classes during learning seminar time, pilot interschool volleyball”

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- “Free gym membership for staff members”

Question: Please provide any questions or comments you have with regard to FCPS’ Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

- “Why don't we have the salad bar as an option in middle school? Many females do not eat during the day, but would eat a salad.

Summary Tables:

2022-2023 School Wellness Survey Responses

Johnson MS

The following graph and table visually summarize your school's responses provided above. Questions in the graph are represented by bars corresponding to the self-reported wellness score. Questions in the table are grouped together according to their self-reported wellness score (e.g., all questions recorded as "embedded" are grouped together, etc.).

*Note: Questions are abbreviated by their section and number. Please refer to the report for the question full text.

| - G6: Staff celebrations that offer and encourage healthy choices for food and beverages. | Transitioning |

Section H – Family and Community Involvement

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
---	-----------------

2022-2023 School Wellness Survey Responses

Liberty Middle

- H1: Established a wellness committee to implement activities that support the wellness policy. No Activity
- H2: Includes a non-staff, family, or community member in our school's wellness committee. No Activity

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

- "None"

Section I – Food and Nutrition General

Question: To what extent does your school implement the following practices:

Response

- I1: All students have at least 20 minutes to eat after sitting down for lunch. Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food. Emerging
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities. Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals. Embedded
- I5: Encourages the use of non-food items for classroom celebrations. Exploring
- I6: Withholding access to food is not used as a disciplinary action. Embedded
- I7: Potable water is available to all our students at no cost. Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS). No Activity
- I9: Allows students to possess personal containers for drinking water. Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible. Not an Elementary School

Section J – Nutrition Education, Promotion, and Food Marketing

2022-2023 School Wellness Survey Responses

Liberty Middle

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- J1: Only food and beverages that meet the “Smart Snacks” standards are marketed to students on school grounds during the school day.	Transitioning
- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day.	Embedded
- J3: We follow FCPS’ policy on fundraisers as outlined in R2100.	Embedded

Section K – Nutritional Guidelines

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day.	Embedded
- K2: Healthy food and beverage options are encouraged at school-related events outside the school day.	Transitioning
- K3: Implements appropriate precautions against severe food allergies.	Embedded
- K4: We follow all nutrition guidelines for food and beverage standards, as outlined in FCPS P2100 and R2100.	Embedded

Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- “Yoga group (students), yoga class (staff), Calm Cafe (students), stress management (families)”

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- “No Response”

Question: Please provide any questions or comments you have with regard to FCPS’ Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

- “No Response

2022-2023 School Wellness Survey Responses

Section F – School Counseling, School Psychology, and School Social Work Services

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- F1: Monitors school climate and other factors that may contribute to student stress, symptoms of anxiety and depression, and peer and academic pressures and substance use.	Emerging
- F2: Our staff has received required suicide prevention training, as well as training that includes recognition of, and response to, mental and behavioral health needs.	Embedded
- F3: Implements programs that foster social and emotional health and wellness of students and staff.	Transitioning
- F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments.	Embedded
- F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance.	Transitioning
- F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance.	Embedded

Section G – Health Promotion for Staff Members

<u>Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being:</u>	<u>Response</u>
- G1: Health screenings.	Embedded
- G2: Health care access.	Embedded
- G3: Employee flu immunization clinics.	Embedded
- G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance.	Transitioning
- G5: Awareness of the Employee Assistance Program Services.	Embedded
- G6: Staff celebrations that offer and encourage healthy choices for food and beverages.	Transitioning

Section H – Family and Community Involvement

2022-2023 School Wellness Survey Responses

Sandburg Middle

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- H1: Established a wellness committee to implement activities that support the wellness policy.	Emerging
- H2: Includes a non-staff, family, or community member in our school's wellness committee.	No Activity

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

- "Health clinics, feedback surveys, immunization clinics, Inspire Conference focused on wellness, Food for Neighbors program, PTA Care and Share program, substance abuse parent workshop, parent Narcan training"

Section I – Food and Nutrition General

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Emerging
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	Exploring
- I9: Allows students to possess personal containers for drinking water.	Embedded

- E2: Promotes age-appropriate mentorships as a way to help students develop strong, safe, and trusted relationships with respected adults.	Embedded
- E3: School buildings, grounds, structures, vehicles (if applicable), and equipment are maintained in accordance with FCPS Policy 8560.	Embedded
- E4: Maintains a comprehensive tobacco-free policy in accordance with FCPS' Policy 4419 and Regulation 2152.	Embedded

Question: Please share any school or community specific barriers to promoting a healthy and safe school environment for students.

- "None"

Section F – School Counseling, School Psychology, and School Social Work Services

2022-2023 School Wellness Survey Responses

Thoreau Middle

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- F1: Monitors school climate and other factors that may contribute to student stress, symptoms of anxiety and depression, and peer and academic pressures and substance use.	Emerging
- F2: Our staff has received required suicide prevention training, as well as training that includes recognition of, and response to, mental and behavioral health needs.	Embedded
- F3: Implements programs that foster social and emotional health and wellness of students and staff.	Embedded
- F4: Staff are prepared to effectively implement FCPS' protocol when conducting suicide-risk screenings and assessments.	Embedded
- F5: Provides opportunities for students, families, and staff to learn strategies to identify and manage stressors to maintain a healthy work life balance.	Emerging
- F6: MIDDLE AND HIGH SCHOOLS ONLY: Academic advising encourages flexibility in course scheduling to promote adequate sleep and healthy sleep patterns to affect student mental health, wellness, and attendance.	Embedded

Section G – Health Promotion for Staff Members

<u>Question: To what extent does the staff wellness liaison support opportunities for staff members to improve their health and well-being:</u>	<u>Response</u>
- G1: Health screenings.	No Activity
- G2: Health care access.	No Activity
- G3: Employee flu immunization clinics.	Embedded
- G4: Wellness opportunities for staff, such as fitness challenges, fitness classes, mobile health screenings, wellness walks, workshops, or health fairs that emphasize work/life balance.	Emerging
- G5: Awareness of the Employee Assistance Program Services.	Embedded
- G6: Staff celebrations that offer and encourage healthy choices for food and beverages.	Emerging

Section H – Family and Community Involvement

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
---	-----------------

2022-2023 School Wellness Survey Responses

Thoreau Middle

- | | |
|--|---------------|
| - H1: Established a wellness committee to implement activities that support the wellness policy. | Transitioning |
| - H2: Includes a non-staff, family, or community member in our school's wellness committee. | No Activity |

Question: Please share how your wellness committee encourages involvement from families and community members in promoting wellness in your school.

- "This is not an area of strength- i do not see programs that bring our school community in to collaborate with our wellness liaison."

Section I – Food and Nutrition General

Question: To what extent does your school implement the following practices:

	<u>Response</u>
- I1: All students have at least 20 minutes to eat after sitting down for lunch.	Embedded
- I2: Students who participate in school meal programs have equal access to the same high-quality food and nutrition as do non-participants who purchase FCPS-provided food.	Embedded
- I3: Student tutoring, meetings, and club activities are not scheduled during mealtimes unless students may eat during such activities.	Embedded
- I4: Measures in place to prevent overt identification of students who are eligible for free and reduced-price school meals.	Embedded
- I5: Encourages the use of non-food items for classroom celebrations.	Emerging
- I6: Withholding access to food is not used as a disciplinary action.	Embedded
- I7: Potable water is available to all our students at no cost.	Embedded
- I8: Actively solicits student input in selecting foods and meals served by Food and Nutrition Services (FNS).	No Activity
- I9: Allows students to possess personal containers for drinking water.	Embedded
- I10: ELEMENTARY SCHOOLS ONLY: Lunch periods scheduled to follow recess whenever possible.	Not an Elementary School

2022-2023 School Wellness Survey Responses

Thoreau Middle

Section J – Nutrition Education, Promotion, and Food Marketing

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- J1: Only food and beverages that meet the “Smart Snacks” standards are marketed to students on school grounds during the school day.	Embedded
- J2: We follow federal school meal nutrition standards for all foods and beverages available for sale on campus during the school day.	Embedded
- J3: We follow FCPS’ policy on fundraisers as outlined in R2100.	Embedded

Section K – Nutritional Guidelines

<u>Question: To what extent does your school implement the following practices:</u>	<u>Response</u>
- K1: Sodas and sports drinks are not offered for sale to students at any time during the school day.	Embedded
- K2: Healthy food and beverage options are encouraged at school-related events outside the school day.	Emerging
- K3: Implements appropriate precautions against severe food allergies.	Embedded
- K4: We follow all nutrition guidelines for food and beverage standards, as outlined in FCPS P2100 and R2100.	Embedded

Section L – Ideas/Comments/Suggestions

Question: Please list any wellness events or activities your school has undertaken or will undertake this school year.

- “Monthly wellness events for students through Student Services, we offer Yoga as an elective for students, mentoring programs, NFCU partnership and penpal program”

Question: Please provide any suggestions, best practices, or tools that you believe would be helpful in evaluating and supporting student and staff health and wellness within FCPS.

- “There isnt a lot of oversight or encouragement for the wellness liaison to actually implement any programs outside of the Flu clinic that I see. Perhaps if this is to be a focus there should be other ways to encourage this individual or group to actually do something within the school setting.”

Question: Please provide any questions or comments you have with regard to FCPS’ Student and Staff Health and Wellness policy, regulation, or these wellness survey items.

2022-2023 School Wellness Survey Responses
